Fisher-Price GRT59

Fisher-Price Soothe 'n Snuggle Koala Plush Sound Machine

Model: GRT59

INTRODUCTION

The Fisher-Price Soothe 'n Snuggle Koala is a musical plush toy designed to comfort and soothe infants. It features a soft, light-up belly with rhythmic breathing motion, customizable music, nature sounds, and multi-color lights. This manual provides essential information for setup, operation, and care of your Soothe 'n Snuggle Koala.

Figure 1: The Fisher-Price Soothe 'n Snuggle Koala.

SETUP

1. **Unpack the Toy:** Carefully remove the Soothe 'n Snuggle Koala from its packaging.
2. **Install Batteries:** The toy requires 4 AA batteries (included). Locate the battery compartment, typically on the back or underside of the plush. Use a screwdriver to open the compartment, insert the batteries according to polarity, and secure the cover.

OPERATING INSTRUCTIONS

The Soothe 'n Snuggle Koala offers customizable settings to create a calming environment for your baby.

1. **Activate the Toy:** Press the button on the koala's belly to turn it on. The belly will light up and begin its rhythmic breathing motion.
2. **Customize Soothing Experience:** Access the control panel located inside the plush (usually via a hook-and-loop closure on the back). From here, you can select:
 - **Timer:** Choose between 15, 30, or 45 minutes of soothing. The toy will automatically shut off after the selected duration.
 - **Light Color:** Select from 3 different light color options for the belly glow.
 - **Music or Sounds:** Choose gentle music or nature sounds.
 - **Volume Control:** Adjust the sound volume to your preference.
3. **Placement:** Place the toy near or on the baby for them to interact with and be soothed by the movements, lights, and sounds.

MAINTENANCE

To ensure the longevity and hygiene of your Soothe 'n Snuggle Koala:

- **Cleaning:** The plush toy is machine-washable. Before washing, ensure all electronic components are removed from the interior compartment. Follow the care instructions on the product tag for best results.
- **Battery Replacement:** Replace batteries when the toy's functions (lights, sounds, motion) become weak or stop working. Always use new AA batteries and dispose of old batteries responsibly.

Machine washable (with electronics removed)

TROUBLESHOOTING

- **Toy Not Turning On:** Check if the batteries are correctly installed and not depleted. Replace with fresh batteries if necessary.
- **Sounds or Lights Not Working:** Ensure the correct settings are selected on the control panel. Check battery levels.
- **Motion Not Working:** Verify that the motion feature is enabled on the control panel and that batteries are sufficient.
