## 5.2 Star Projection Features

The unicorn projects stars and moon patterns onto the ceiling and walls, creating a calming atmosphere.

*Image 5.2: Examples of the seven soothing projection colors available, including white, purple, blue, pink, green, amber, and multi-color. The projection is most effective in a dark room. The clarity of the projected images may vary with distance from the surface.*

## 6. CARE AND MAINTENANCE

- **Cleaning:** Surface clean only. Do not immerse the product in water. Use a damp cloth with mild soap to gently wipe the surface, then air dry.
- **Storage:** Store in a cool, dry place away from direct sunlight when not in use.
- **Battery Care:** Remove batteries if the product will not be used for an extended period to prevent leakage and damage.
- **Handling:** Handle the plush toy gently to avoid damage to the internal electronic components.

## 7. TROUBLESHOOTING

---

Problem	Possible Cause	Solution
No power/lights/music	Batteries are dead or low. Batteries inserted incorrectly. Battery compartment not closed properly.	Replace with new AAA batteries. Check battery polarity (+/-). Ensure battery compartment is securely closed.
Lights are dim or flickering	Low battery power.	Replace with new AAA batteries.
Music not playing or distorted	Music function is off. Low battery power.	Long press the Music Button (left paw) to turn on. Replace with new AAA batteries.
Projection is blurry or unclear	Distance to projection surface is too far. Ambient light is too bright.	Move the projector closer to the wall/ceiling (optimal at about 6 feet). Ensure the room is sufficiently dark.
Buttons unresponsive	Low battery power. Internal mechanism issue.	Replace with new AAA batteries. If problem persists, contact customer service.
