Fossil Men FOS 3119/G/S Sunglasses 55 Black Instruction Manual

Brand: Fossil

1. INTRODUCTION

This manual provides comprehensive instructions for the proper use, care, and maintenance of your Fossil Men FOS 3119/G/S Sunglasses. These sunglasses are designed for men, featuring a rectangular shape and constructed from durable polyamide injection material. Please read this manual thoroughly before using your new sunglasses to ensure optimal performance and longevity.

2. PRODUCT OVERVIEW

The Fossil FOS 3119/G/S sunglasses combine classic design with modern materials, offering both style and protection. Key features include:

- **Shape:** Rectangular frame for a classic and versatile look.
- **Gender:** Designed specifically for men.
- **Material:** Constructed from high-quality POLYAMIDE INJ for durability and lightweight comfort.

Product Images

Figure 2.1: Frontal view of the Fossil FOS 3119/G/S sunglasses. This image highlights the full rectangular frame, dark lenses, and the overall design from the front perspective.

Figure 2.2: Angled view of the Fossil FOS 3119/G/S sunglasses. This perspective showcases the frame's thickness, the design of the temples, and the subtle branding on the side.

Figure 2.3: Top-down view of the Fossil FOS 3119/G/S sunglasses. This image provides a clear view of the frame's upper edge and the curvature of the lenses.

Figure 2.4: Close-up view of the temple and hinge area of the Fossil FOS 3119/G/S sunglasses. This detailed shot highlights the Fossil logo and the construction of the frame near the ear piece.

3. SETUP

Your Fossil FOS 3119/G/S Sunglasses are ready for immediate use upon unboxing. No assembly or complex setup is required.

1. **Unboxing:** Carefully remove the sunglasses from their packaging. Inspect them for any signs of damage during transit.
2. **Initial Fit:** Try on the sunglasses to ensure a comfortable fit. If the fit feels too loose or too tight, minor adjustments to the temples may be possible by a qualified optician. Do not attempt to bend the frame yourself, as this may cause damage.

4. OPERATING INSTRUCTIONS

Using your Fossil FOS 3119/G/S Sunglasses is straightforward:

- **Wearing:** Place the sunglasses on your face, ensuring the nose pads rest comfortably on your nose bridge and the temples extend over your ears.
- **Protection:** These sunglasses are designed to reduce glare and protect your eyes from harmful UV rays. They are suitable for general outdoor use.
- **Storage:** When not in use, store your sunglasses in the provided case to protect them from scratches and damage.

5. MAINTENANCE

Proper maintenance will extend the life and preserve the clarity of your Fossil FOS 3119/G/S Sunglasses.

- **Cleaning Lenses:**

- a. Rinse lenses under lukewarm water to remove loose dirt or dust.
- b. Apply a small drop of mild dish soap to each lens.
- c. Gently rub the lenses with your fingertips.
- d. Rinse thoroughly with lukewarm water.
- e. Dry with a clean, soft microfiber cloth. Avoid using paper towels or rough fabrics, as these can scratch the lenses.

- **Cleaning Frames:** Wipe the frames with a damp, soft cloth. For stubborn dirt, a small amount of mild soap can be used.
- **Storage:** Always store your sunglasses in their protective case when not in use to prevent scratches and accidental damage. Avoid leaving them in direct sunlight or extreme heat (e.g., on a car dashboard), as this can warp the frame or damage the lens coatings.
- **Avoid Chemicals:** Do not use harsh chemicals, alcohol-based cleaners, or abrasive materials on your sunglasses, as these can damage the frame finish and lens coatings.

6. TROUBLESHOOTING

Below are common issues and their potential solutions:

Problem	Possible Cause	Solution
Lenses appear blurry or dirty after cleaning.	Residue from cleaning solution or improper drying.	Rinse thoroughly with plain water and dry with a clean, dry microfiber cloth. Ensure no soap residue remains.
Sunglasses feel loose or crooked.	Frame may be slightly bent or screws on hinges are loose.	Tighten any loose screws on the hinges carefully with a small screwdriver. For frame adjustments, consult a professional optician to avoid damage.
Scratches on lenses.	Improper cleaning or storage.	Unfortunately, lens scratches are often permanent. Prevent future scratches by always storing sunglasses in their case and cleaning them with appropriate methods and materials.

7. SPECIFICATIONS

Attribute	Detail
Model Number	FOS 3119/G/S
