Tom Ford GARRETT FT 0862

Tom Ford GARRETT FT 0862 Sunglasses User Manual

Brand: Tom Ford | Model: GARRETT FT 0862

PRODUCT OVERVIEW

The Tom Ford TF862 sunglasses feature the distinctive Tom Ford branding on the temple. These full-rim square sunglasses are crafted from acetate and designed for men, offering a blend of classic style and modern sophistication.

Image of the Tom Ford GARRETT FT 0862 Shiny Black/Grey Shaded men's sunglasses, showcasing the full frame, gradient lenses, and the iconic 'T' logo on the temples.

SETUP

Upon receiving your Tom Ford GARRETT FT 0862 sunglasses, carefully remove them from their packaging. Inspect the frames and lenses for any signs of damage during transit. Ensure the temples unfold smoothly and the hinges operate

correctly. For optimal comfort and fit, gently adjust the temples behind your ears. If significant adjustments are needed, it is recommended to consult an optical professional.

OPERATING INSTRUCTIONS

To wear your sunglasses, hold them by the frame and gently place them on your face, ensuring the nose pads rest comfortably on your nose bridge and the temples extend over your ears. These sunglasses are designed to provide protection from harmful UV rays. Always wear them when exposed to bright sunlight to reduce glare and protect your eyes. Avoid placing them face down on hard surfaces to prevent scratching the lenses.

CARE AND MAINTENANCE

To maintain the pristine condition of your Tom Ford sunglasses, clean the lenses regularly with a soft, lint-free microfiber cloth. For deeper cleaning, use a mild soap solution and lukewarm water, then rinse thoroughly and dry with a clean microfiber cloth. Avoid using paper towels or clothing, as these can scratch the lenses. Do not use harsh chemicals, abrasive cleaners, or alcohol-based solutions. When not in use, store your sunglasses in their original protective case to prevent scratches and damage from dust or impacts. Avoid exposing them to extreme heat, such as leaving them on a car dashboard, as this can warp the frame.

TROUBLESHOOTING

- **Loose Screws:** If the hinges feel loose, gently tighten the small screws using a precision screwdriver. Do not overtighten.
- **Smudged Lenses:** Clean lenses as described in the "Care and Maintenance" section. Ensure the microfiber cloth is clean and free of debris.
- **Discomfort/Poor Fit:** If the sunglasses feel uncomfortable or do not sit properly, visit an optical professional for proper adjustment of the frame and temples. Avoid attempting significant adjustments yourself to prevent damage.
- **Scratched Lenses:** Minor scratches may be polished by a professional, but deep scratches often require lens replacement. Always store sunglasses in their case to prevent scratches.

SPECIFICATIONS

Brand	Tom Ford
Model	GARRETT FT 0862
