ULTRA Mini

ULTRA Mini Table Top 1.25L Wet Grinder with Atta Kneader

Model: Mini | Brand: ULTRA

PRODUCT OVERVIEW

The ULTRA Mini 1.25L wet grinder is designed for small families of 2 or 3, offering efficient grinding for smooth batter. Its patented conical stones generate less heat during grinding, promoting higher fermentation for soft and fluffy idlis. The drum is constructed from rust-resistant AISI 304 food-grade stainless steel, ensuring food safety.

Key Features

- **1.25L Capacity:** Ideal for a family of 4.
- **85W Motor:** Powerful motor for efficient grinding.
- **Patented Conical Stones:** Ensures effective grinding without significant batter temperature rise.
- **AISI 304 Stainless Steel Drum:** Rust-resistant and food-grade for healthy food preparation.

SETUP

1. **Unpacking:** Carefully remove all components from the packaging. Ensure all protective materials are removed from the drum and grinding stones.
2. **Placement:** Place the grinder on a stable, flat, and dry surface, away from direct heat or water.
3. **Assembly:**
 - Insert the stainless steel drum into the main unit's grinding chamber.
 - Place the grinding stone assembly onto the central shaft inside the drum. Ensure it is seated correctly.
 - Close the top arm of the grinder, ensuring it locks securely into place.
 - Attach the transparent lid over the drum.

This video provides a product summary and demonstrates the initial setup and components of the ULTRA Mini Wet Grinder.

OPERATING INSTRUCTIONS

1. **Preparation:** Soak grains or lentils as required for your recipe. Ensure they are thoroughly washed before grinding.
2. **Loading Ingredients:** Open the top arm of the grinder by pressing the grey button and lifting. Add the prepared ingredients into the stainless steel drum. Do not overload the drum beyond its 1.25L capacity.
3. **Grinding:** Close the top arm securely. Plug the grinder into a 110-volt power outlet. Turn the power switch to the 'On' position. The grinding stones will begin to rotate.
4. **Adding Water:** Gradually add water through the opening in the lid as needed to achieve the desired batter consistency. Use the provided spatula to push down any ingredients sticking to the sides.
5. **Monitoring:** Allow the grinder to operate until the batter reaches a smooth, fine consistency. Grinding time will vary depending on the ingredients and desired texture.
6. **Switching Off:** Once grinding is complete, turn the power switch to the 'Off' position and unplug the unit.
7. **Removing Batter:** Lift the top arm. You can use the atta kneader attachment to easily remove the batter from the drum.

MAINTENANCE

1. **Cleaning the Drum and Stones:** After each use, remove the drum and grinding stone assembly.

Wash them thoroughly with water and mild dish soap. Ensure no food particles remain.

- 2. **Cleaning the Unit:** Wipe the main unit with a damp cloth. Do not immerse the main unit in water.
- 3. **Drying:** Allow all components to air dry completely before reassembling or storing to prevent rust and mildew.
- 4. **Storage:** Store the grinder in a clean, dry place.

TROUBLESHOOTING

Grinder Not Starting:

- Ensure the power cord is securely plugged into a working 110-volt outlet.
- Check if the On/Off switch is in the 'On' position.
- Verify that the top arm is properly closed and locked. The grinder has a safety interlock that prevents operation if the arm is not secured.

Inefficient Grinding:

- Ensure the grinding stones are correctly seated on the central shaft.
- Do not overload the drum. Reduce the quantity of ingredients if the motor struggles.
- Add water gradually to achieve optimal consistency for grinding.

Unusual Noise/Vibration:

- Check for any foreign objects inside the drum.
- Ensure the grinding stones are properly aligned and not loose.
- If the issue persists, contact customer support.

SPECIFICATIONS

Feature	Detail
Capacity	1.25 Liters
Motor Rating	85 Watts
Voltage	110 V AC, 60Hz
Material	AISI 304 Food Grade Stainless Steel (Drum)
Item Weight	20 Pounds
Package Dimensions	19.5 x 17.5 x 12.55 inches
Color	White
Country of Origin	India
