## SETUP

### Charging the Headphones

Before first use, fully charge your PowerLocus P6 headphones. Connect the provided USB charging cable to the charging port on the headphones and the other end to a USB power source (e.g., computer USB port, wall adapter). The charging time is approximately 2.5 hours. A full charge provides up to 50 hours of playtime.

### Bluetooth Pairing

1. Ensure the headphones are turned off.
2. Press and hold the Power button until the LED indicator flashes blue and red, indicating pairing mode.
3. On your device (smartphone, tablet, PC), enable Bluetooth and search for available devices.
4. Select "PowerLocus P6" from the list of devices.

- Once connected, the LED indicator will turn solid blue.

## Multi-Point Connection

The PowerLocus P6 headphones support connecting to two Bluetooth devices simultaneously. After pairing with the first device, disable Bluetooth on that device. Then, pair the headphones with the second device. Once paired, re-enable Bluetooth on the first device. The headphones should now be connected to both devices, allowing you to switch audio sources seamlessly.

## OPERATING INSTRUCTIONS

### Controls

- Power On/Off:** Press and hold the Power button.
- Play/Pause:** Press the Multi-function button once.
- Volume Up/Down:** Press the Volume + / - buttons.
- Next/Previous Track:** Long press the Volume + / - buttons.
- Answer/End Call:** Press the Multi-function button once.
- Reject Call:** Long press the Multi-function button.
- Activate Voice Assistant (Siri/Google Assistant):** Press the Voice Control button once.

### Wired Mode

To use the headphones in wired mode, connect the provided 3.5mm audio cable to the headphone's audio jack and the other end to your audio source. This mode is useful when the battery is depleted or for devices without Bluetooth connectivity.

## MAINTENANCE

- Cleaning:** Use a soft, dry cloth to clean the headphones. Do not use harsh chemicals or abrasive materials.
- Storage:** When not in use, store the headphones in the provided carry pouch to protect them from dust and scratches. The foldable design allows for compact storage.
- Water Resistance:** These headphones are not water resistant. Avoid exposure to liquids, moisture, and extreme temperatures.
- Battery Care:** To prolong battery life, avoid fully discharging the headphones frequently. Charge them regularly, even if not in constant use.

## Package includes:

1x Headphones  
3.5mm Audio Cable  
USB Charging Cable  
User Manual  
Premium Carry Case

## TROUBLESHOOTING

- **Headphones won't turn on:** Ensure the headphones are fully charged.
- **Cannot pair with device:** Make sure Bluetooth is enabled on your device and the headphones are in pairing mode (flashing blue and red LED). Try restarting both devices.
- **No sound:** Check the volume levels on both the headphones and your connected device. Ensure the headphones are properly paired. If using wired mode, ensure the 3.5mm cable is fully inserted.
- **Poor sound quality:** Ensure the headphones are within Bluetooth range (12m/39ft) of your device. Avoid obstacles that may interfere with the signal.
- **Microphone not working:** Ensure the headphones are properly connected and selected as the audio input device on your computer or smartphone.
