nanoblock NBC-332

nanoblock Great White Shark Building Kit Instruction Manual

Model: NBC-332

Product Overview

The nanoblock Great White Shark Building Kit (Model NBC-332) allows you to construct a detailed micro-sized model of one of the ocean's most iconic predators. This kit contains 130 precision-engineered micro blocks, designed to capture the intricate features of the Great White Shark.
With blocks as small as 4mm x 4mm x 5mm, nanoblock kits offer a unique building experience, resulting in highly realistic and collectible 3D models. This model is rated at a difficulty Level 3 out of 5, suitable for builders aged 15 and above.

Safety Information

WARNING: CHOKING HAZARD - Small Parts. This product contains small parts and is not suitable for children under 3 years of age. Adult supervision is recommended during assembly, especially for younger users. Please keep all small pieces away from infants and pets.

Assembly Instructions

Before beginning assembly, carefully unpack all components and verify that all 130 pieces are present. Refer to the included full-color, step-by-step instruction manual for detailed guidance. The nanoblock pieces are very small, so it is recommended to work on a clean, well-lit surface to prevent loss of parts.

1. **Preparation:** Open the packaging and carefully empty the micro blocks onto a flat, clean surface. Organize pieces by color or shape if desired, though the instruction manual typically guides piece selection per step.
2. **Follow Instructions:** Each nanoblock kit comes with a detailed, visual instruction booklet. Follow the diagrams precisely, step by step, to ensure correct assembly. Pay close attention to the orientation of each block.
3. **Connecting Blocks:** Apply gentle, even pressure when connecting blocks. Due to their small size, excessive force is

not required and may damage the pieces.

4. **Patience is Key:** Building nanoblock models requires patience and attention to detail. If a step seems difficult, re-examine the instructions and the current state of your model.

Care and Display

Once assembled, your nanoblock Great White Shark model can be proudly displayed. To maintain its appearance:

- **Cleaning:** Dust the model gently with a soft brush or a can of compressed air. Avoid using water or chemical cleaners, as these may damage the plastic.
- **Placement:** Display the model on a stable, flat surface away from direct sunlight, extreme temperatures, or high humidity to prevent discoloration or warping.
- **Handling:** Handle the assembled model with care to avoid accidental disassembly, especially with delicate parts.

Product Specifications

Feature	Detail
Model Number	NBC-332
Product Name	Great White Shark (Sea Friends Collection)
Number of Pieces	130
Assembled Height (approx.)	1.9 inches
Block Size (smallest)	4mm x 4mm x 5mm
Difficulty Level	3 (out of 5)
Recommended Age	15 years and up
Product Dimensions	4.52 x 2.36 x 1.97 inches
Item Weight	1.06 ounces
Manufacturer	Kawada

Warranty and Support

This nanoblock product is an officially licensed Kawada product. For product support assistance within the United States, please ensure your product box has a Bandai Namco warning label. This label serves as proof of purchase from an authorized U.S. retailer and ensures eligibility for support.
For further inquiries or assistance, please contact your authorized retailer or the official distributor as indicated on the product packaging.
