UGREEN 20471

UGREEN Vertical Laptop Stand Holder

Model: 20471
Brand: UGREEN

1. Introduction

The UGREEN Vertical Laptop Stand Holder (Model 20471) is designed to optimize your workspace by securely holding your laptop in a vertical position. Crafted from premium aluminum alloy, this stand offers stability, durability, and an adjustable slot to accommodate various laptop sizes. It helps in decluttering your desk, improving airflow for your device, and providing a dedicated space for your laptop when connected to external monitors or peripherals.

2. Setup Instructions

Setting up your UGREEN Vertical Laptop Stand is a straightforward process. The stand features an adjustable slot to ensure a snug fit for your laptop.

2.1 Adjusting the Slot Width

1. **Identify the Adjustment Screw:** Locate the knurled screw positioned on the base of the stand.
2. **Rotate to Adjust:** Turn the screw clockwise to narrow the slot or counter-clockwise to widen it. Adjust the width to match the thickness of your laptop. The stand supports laptops with thicknesses ranging from 0.47 inches to 1.0 inch.
3. **Test Fit:** Gently place your laptop into the slot to check the fit. The laptop should be held securely without excessive pressure or looseness. Adjust further if necessary.

3. Operating Instructions

Once the stand is adjusted, it provides a stable and space-saving solution for your laptop.

3.1 Placing Your Laptop

- Ensure the stand is placed on a flat, stable surface.
- Carefully slide your laptop into the adjusted slot. The silicone pads inside the slot will grip the laptop and protect its surface from scratches.
- Confirm the laptop is seated firmly and does not wobble.

Figure 4: Placing a laptop into the stand for vertical storage.

3.2 Benefits of Vertical Storage

- **Space-Saving:** By holding your laptop vertically, the stand significantly reduces the desk footprint, freeing up valuable space for other items or a cleaner aesthetic.
- **Enhanced Airflow:** Vertical positioning can improve natural convection, allowing for better heat dissipation and helping to keep your laptop cool, especially when connected to external displays.
- **Protection:** The stand's robust aluminum construction and non-slip silicone pads protect your laptop from accidental spills and scratches while keeping it secure.

4. Maintenance

To ensure the longevity and optimal performance of your UGREEN Vertical Laptop Stand, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the stand with a soft, dry cloth to remove dust and fingerprints. For stubborn marks, a slightly damp cloth can be used, followed by immediate drying. Avoid abrasive cleaners or solvents.
- **Inspect Silicone Pads:** Periodically check the silicone pads inside the slot and on the base for wear or damage. Ensure they are clean and free of debris to maintain optimal grip and protection.
- **Adjustment Screw:** Ensure the adjustment screw operates smoothly. If it becomes stiff, clean any accumulated dust or debris around it.

5. Troubleshooting

If you encounter any issues with your UGREEN Vertical Laptop Stand, refer to the following common solutions:

5.1 Laptop is Not Stable / Wobbles

- **Check Slot Width:** The most common cause is an improperly adjusted slot width. Ensure the slot is tightened enough to securely hold your laptop without allowing it to tilt. Refer to Section 2.1 for adjustment instructions.
- **Surface Stability:** Verify that the stand is placed on a flat, level, and stable surface. Uneven surfaces can cause instability.
- **Silicone Pad Condition:** Inspect the silicone pads for any damage or if they have shifted. Ensure they are clean and providing adequate grip.

5.2 Laptop Surface Scratches

- **Inspect Silicone Pads:** Ensure all silicone pads are correctly in place and free from any hard debris that could cause scratches.
- **Gentle Placement:** Always slide your laptop into the stand gently. Avoid forcing it or dropping it into the slot.

6. Specifications

Feature	Detail
Brand	UGREEN
Model Number	20471
Material	Aluminum Alloy
Color	Silver Gray
Item Weight	6.2 ounces (approx. 176g)
Product Dimensions (LxWxH)	5.91 x 3.15 x 1.97 inches (15 x 8 x 5 cm)
Adjustable Slot Width	0.47 inches to 1.0 inch (1.2 cm to 2.54 cm)
Compatible Devices	Laptops up to 17.3 inches (e.g., MacBook Air, MacBook Pro, HP Notebook, Dell Chromebook, ThinkPad, ASUS TUF F15 Gaming Laptop, Samsung Galaxy Book)
