1. INTRODUCTION

Thank you for choosing the KLARSTEIN Monteverde 52-inch Ceiling Fan with Light. This 2-in-1 device combines an elegant ceiling fan with an integrated light, providing both air circulation and illumination for your living space. With a diameter of 52 inches (132 cm) and three adjustable speeds, it reliably moves up to 8,376 m³ of air per hour. The fan features robust plastic blades with a dark wood finish and operates quietly. All functions, including the integrated light and timer, are conveniently controlled via the included remote control.

This manual provides essential information for the safe installation, operation, and maintenance of your new ceiling fan. Please read it thoroughly before use and keep it for future reference.

2. SAFETY INSTRUCTIONS

To ensure safe operation and prevent damage, please observe the following safety precautions:

- Read all instructions carefully before installation and use.
- Installation must be performed by a qualified electrician in accordance with local electrical codes.
- Ensure the mounting structure can support the weight of the fan (approximately 5 kg) and its movement.
- Always disconnect power at the main circuit breaker before installation, maintenance, or cleaning.
- Do not insert any objects into the fan blades while the fan is operating.
- Keep children and pets away from the fan during operation.
- Do not use the fan in damp or wet locations.
- Ensure all connections are secure and properly insulated.
- Use only E27 bulbs with a maximum wattage of 60 watts for the integrated light.
- The remote control requires 2 x AA batteries (not included). Do not mix old and new batteries or different types

of batteries.

3. PACKAGE CONTENTS

Carefully unpack the box and ensure all items are present and undamaged. If any parts are missing or damaged, contact your retailer immediately.

- 1 x KLARSTEIN Monteverde Ceiling Fan Unit (including motor housing, blades, and light fixture)
- 1 x Remote Control (batteries not included)
- 1 x Mounting Hardware Kit (screws, brackets, etc.)
- 1 x User Manual

Note: Light bulbs for the E27 socket and 2 x AA batteries for the remote control are not included and must be purchased separately.

4. SETUP (INSTALLATION)

This ceiling fan is designed for fixed installation directly to the mains power supply. Professional installation is recommended.

4.1 Pre-Installation Checks

- Verify that the power supply is turned off at the circuit breaker.
- Ensure the ceiling joist or support structure is capable of holding the fan's weight (approx. 5 kg) and the dynamic load during operation.
- Confirm that there is sufficient clearance for the blades (52-inch diameter) from walls and other obstructions.

4.2 Mounting the Bracket

1. Secure the mounting bracket to the ceiling junction box using the provided screws. Ensure it is firmly attached.

4.3 Wiring the Fan

2. Connect the household supply wires to the fan's wiring according to the wiring diagram provided in the separate installation guide (if applicable) or by a qualified electrician. Ensure proper grounding.
3. Carefully tuck the wires into the junction box.

4.4 Attaching the Fan Body

4. Lift the fan assembly and hang it onto the mounting bracket.
5. Secure the fan body to the mounting bracket with the designated screws.

4.5 Installing the Blades and Light

6. Attach the three plastic blades to the motor housing using the provided screws. Ensure they are securely fastened.
7. Install an E27 light bulb (max 60W) into the light socket.
8. Attach the glass lampshade to the light fixture.

4.6 Final Steps

9. Restore power at the main circuit breaker.
10. Test the fan and light functions using the remote control.

5. OPERATING INSTRUCTIONS

The KLARSTEIN Monteverde ceiling fan is controlled via the included remote control.

ZDALNE STEROWANIE

dołączonemu pilotowi

Image 5.1: The remote control for the KLARSTEIN Monteverde ceiling fan, enabling convenient adjustment of fan speed, light, and timer settings.

5.1 Remote Control Functions

- **ON/OFF Button:** Turns the fan on or off.
- **Speed Buttons (LOW, MED, HIGH):** Adjusts the fan speed to low, medium, or high.
- **Light Button:** Turns the integrated light on or off.
- **Timer Buttons (1H, 2H, 4H, 8H):** Sets the fan to automatically turn off after 1, 2, 4, or 8 hours.

5.2 Airflow Direction

The fan is designed to circulate air effectively. The blades are shaped to provide optimal airflow for cooling. While this model does not feature a reverse function, its design ensures efficient air movement.

6. MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your ceiling fan.

6.1 Cleaning

- **Always turn off the power supply at the circuit breaker before cleaning.**
- Use a soft, damp cloth to wipe down the fan blades and motor housing. Do not use abrasive cleaners or solvents, as these can damage the finish.
- For the glass lampshade, remove it carefully and wash with mild soap and water, then dry thoroughly before reattaching.
- Dust the fan regularly to prevent buildup, which can affect performance and balance.

6.2 Blade Balance

If the fan wobbles during operation, check that all blade screws are tightened. Minor wobbling is normal, but excessive wobbling may indicate an imbalance. Ensure blades are clean and free of debris.

6.3 Light Bulb Replacement

- **Ensure the power is off and the bulb has cooled before attempting to replace it.**
- Carefully remove the glass lampshade.
- Unscrew the old E27 bulb and screw in a new one (max 60W).
- Reattach the lampshade.

7. TROUBLESHOOTING

If you encounter issues with your KLARSTEIN Monteverde ceiling fan, refer to the following table for common problems and solutions.

Problem	Possible Cause	Solution
Fan does not start	No power supply Loose wiring connection Remote control batteries dead	Check circuit breaker Verify wiring connections (consult electrician) Replace remote control batteries (2 x AA)
Light does not work	Light bulb faulty Loose wiring connection Remote control batteries dead	Replace light bulb (E27, max 60W) Verify wiring connections (consult electrician) Replace remote control batteries
Fan wobbles excessively	Loose blade screws Unbalanced blades Loose mounting bracket	Tighten all blade screws Ensure blades are clean and free of debris; check for bent blades Verify mounting bracket is securely fastened to the ceiling
Remote control not responding	Dead batteries Obstruction between remote and receiver Remote not paired (if applicable)	Replace batteries (2 x AA) Ensure clear line of sight Refer to specific pairing instructions (if provided with remote)
Fan is noisy	Loose screws Motor issues Blade imbalance	Check and tighten all screws Contact customer support if noise persists after checking screws and balance

If the problem persists after attempting these solutions, please contact KLARSTEIN customer support.

8. SPECIFICATIONS

Detailed technical specifications for the KLARSTEIN Monteverde Ceiling Fan with Light:

Image 8.1: Dimensional drawing of the KLARSTEIN Monteverde ceiling fan, indicating its 132 cm diameter and 40 cm height.

Feature	Detail
Model Name	Monteverde
Product Dimensions (D x H)	132 cm x 40 cm (52 inches x 15.7 inches)
Weight	5 kg
Airflow Rate	8,376 m³/h
Power Consumption (Fan)	41 Watts
Noise Level (Max)	47 dB
Voltage	220-240 V~ 50/60 Hz
Number of Blades	3
Blade Material	Plastic (Dark Wood Finish)
Light Socket Type	E27 (Max 60 Watts)
Control Method	Remote Control
Fan Speeds	3 (Low, Medium, High)
Timer Settings	1, 2, 4, 8 Hours
Installation Type	Ceiling Mount
Intended Use	Indoor

9. WARRANTY AND SUPPORT

KLARSTEIN products are manufactured with high-quality materials and undergo strict quality control. This product is covered by a manufacturer's warranty against defects in materials and workmanship from the date of purchase. Please retain your proof of purchase for warranty claims.

For warranty service, technical support, or any questions regarding your product, please contact your retailer or visit

the official KLARSTEIN website for contact information. When contacting support, please have your model number (Monteverde) and purchase date available.
