Armen Living Chelsea 29" Bar Height Swivel Bar Stool Instruction Manual

Model: LCCSBABLBL30

1. Product Overview

This manual provides instructions for the assembly, operation, and maintenance of your Armen Living Chelsea 29" Bar Height Swivel Bar Stool. The Chelsea bar stool features a faux leather seat and back, a metal frame, and a swivel mechanism. It is designed for use at bar-height surfaces.

Figure 1.1: Front view of the Armen Living Chelsea 29" Bar Height Swivel Bar Stool in black faux leather and black finish.

2. Safety Information

- **Weight Limit:** Do not exceed the maximum weight capacity of 250 pounds (113 kg). Exceeding this limit may result in damage to the stool or personal injury.
- **Assembly:** Ensure all components are securely fastened before use. Periodically check and tighten all screws and bolts.
- **Stability:** Use the stool on a flat, level surface to prevent tipping. Avoid standing on the stool.
- **Children:** Keep children away from the assembly area. Small parts may pose a choking hazard. Supervise children when they are using the stool.
- **Moving:** Do not drag the stool across the floor, as this may damage the floor or the stool's legs. Lift and move the stool as needed.

3. Package Contents

Please verify that all parts are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- Seat and Backrest Assembly (1)
- Base Frame with Footrest (1)
- Hardware Pack (screws, washers, Allen wrench)
- Instruction Manual (this document)

4. Assembly Instructions

Assembly is required for this product. Please follow these steps carefully. It is recommended to assemble the stool on a soft, clean surface to prevent scratches.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a protected surface.
2. **Identify Parts:** Refer to the diagram below to identify the seat assembly, base frame, and hardware.
3. **Attach Seat to Base:** Align the mounting holes on the bottom of the seat assembly with the holes on the top of the base frame. Insert the provided screws with washers through the holes and loosely tighten them using the Allen wrench.
4. **Secure All Fasteners:** Once all screws are in place, gradually tighten them in a crisscross pattern until they are secure. Do not overtighten.
5. **Check Stability:** Place the assembled stool on a flat surface and gently test its stability. Ensure there is no wobbling.

Figure 4.1: This diagram illustrates the key dimensions of the bar stool, providing a visual reference for the main components and their relative sizes during assembly. Note that the stool shown in this diagram is white, but the structural components and assembly process are identical for all color variations.

Figure 4.2: A detailed view of the stool's base, highlighting features such as floor protectors, the sturdy metal frame construction, and the design of the tapered metal legs. This image helps in understanding the base assembly and maintenance points.

5. Operating Instructions

- **Swivel Function:** The Chelsea bar stool features a 360-degree swivel mechanism. To rotate, simply apply gentle pressure to the seat in the desired direction. Ensure there are no obstructions around the stool before swiveling.
- **Footrest:** The integrated metal footrest provides support and comfort. Place your feet on the footrest while seated to maintain proper posture and reduce leg fatigue.

Figure 5.1: Illustration of the 360-degree swivel capability of the bar stool.

6. Maintenance and Care

- **Cleaning Faux Leather:** For general cleaning, wipe the faux leather surfaces with a soft, damp cloth. For spills, spot clean immediately with a mild soap solution and a clean cloth. Avoid abrasive cleaners or harsh chemicals, as these can damage the material.
- **Cleaning Metal Frame:** Wipe the metal frame with a soft, dry cloth to remove dust. For smudges or dirt, use a slightly damp cloth and dry thoroughly.
- **Regular Inspection:** Periodically inspect all screws and bolts to ensure they remain tight. Retighten as necessary to maintain stability and safety.
- **Floor Protectors:** Check the floor protectors on the bottom of the legs regularly. Replace if worn to prevent scratching floors.

7. Troubleshooting

Problem	Possible Cause	Solution
Stool wobbles after assembly.	Screws are not evenly tightened.	Loosen all screws slightly, press down on the seat to ensure all legs are touching the floor, then retighten screws evenly in a crisscross pattern.
Swivel mechanism feels stiff.	Lack of lubrication or debris in the mechanism.	Ensure the stool is clean. If stiffness persists, a small amount of silicone-based lubricant may be applied to the swivel plate (consult manufacturer if unsure).
Scratches on floor.	Worn or missing floor protectors.	Inspect floor protectors on each leg. Replace any worn or missing protectors.

8. Specifications

Feature	Detail
Model Number	LCCSBABLBL30
Product Dimensions (D x W x H)	21"D x 22"W x 38"H
Seat Height	29" (Bar Height)
Color	Black/Black
Brand	Armen Living
Style	Contemporary
Furniture Finish	Black Finish
Maximum Weight Recommendation	250 Pounds
Assembly Required	Yes
Item Weight	24 pounds
