HOMCOM 3-in-1 Hall Tree Instruction Manual

Model: 837-106V80

INTRODUCTION

Thank you for choosing the HOMCOM 3-in-1 Hall Tree. This versatile furniture piece is designed to enhance your entryway, mudroom, or hallway with its integrated coat rack, shoe bench, storage shelves, and drawers. Please read this manual carefully before assembly and use to ensure proper installation and safe operation.

SAFETY INFORMATION

- **Anti-Toppling Device:** This hall tree is equipped with an anti-toppling device. It is crucial to secure the unit to the wall to prevent accidental tipping, especially in households with children or pets. Follow the assembly instructions precisely for proper installation of this safety feature.
- **Assembly:** Assembly is required. Ensure all parts are present and undamaged before beginning. Follow all steps in the assembly guide. Do not overtighten screws.
- **Weight Capacity:** Adhere to the specified weight capacities: 286 lbs (bench), 11 lbs (hook), 11 lbs (drawer), and 22 lbs (bottom shelf). Exceeding these limits may cause damage or injury.
- **Placement:** Place the hall tree on a flat, stable surface. Avoid placing it in areas with high humidity or direct sunlight to prevent material degradation.
- **Product Care:** Wipe with a dry cloth for cleaning. Avoid harsh chemicals that may damage the finish.

SETUP AND ASSEMBLY

Assembly of the HOMCOM Hall Tree is required. Please follow the detailed instructions provided in the packaging. It is recommended to have two people for assembly to ensure stability and ease of construction.

Before You Begin:

- Unpack all components and verify against the parts list in your instruction manual.
- Ensure you have the necessary tools (e.g., screwdriver, hammer).
- Clear a spacious area for assembly.

Assembly Steps (General Guidance):

1. Assemble the base frame, including the bottom shoe shelf and drawer supports.
2. Attach the side panels and the back panel to the base.
3. Install the top shelf unit and the coat hooks.
4. Assemble the two storage drawers and insert them into their compartments.

5. Place the padded seat cushion onto the bench.
6. **Crucial Step:** Install the anti-toppling device by securing the hall tree to a wall stud using the provided hardware. This prevents the unit from falling forward.

OPERATING INSTRUCTIONS

The HOMCOM Hall Tree is designed for convenient daily use to organize your entryway essentials.

- **Using the Bench:** The padded bench provides a comfortable spot to sit while putting on or taking off shoes.
- **Shoe Storage:** The bottom slatted shelf is ideal for storing up to three pairs of shoes, keeping them neatly organized and off the floor.
- **Coat Hooks:** Utilize the four hooks to hang coats, jackets, hats, scarves, bags, or keys. Distribute weight evenly across the hooks.
- **Storage Drawers:** The two pull-out drawers are perfect for stowing away smaller items such as gloves, socks, pet leashes, or other entryway accessories.
- **Top Shelves:** The two open top shelves can be used for decorative items, small storage bins, or

frequently accessed items like mail or sunglasses.

MAINTENANCE AND CARE

- **Cleaning:** Wipe the surfaces of the hall tree with a dry, soft cloth. For stubborn marks, a slightly damp cloth followed by a dry cloth can be used. Avoid abrasive cleaners or harsh chemicals.
- **Cushion Care:** The padded seat cushion features a removable cover for easy clean-up. Follow the care instructions on the cushion label for washing.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary to maintain stability and safety.

- **Environmental Conditions:** Protect the furniture from extreme temperature changes and direct sunlight, which can cause fading or warping. Maintain moderate humidity levels.

TROUBLESHOOTING

If you encounter any issues with your HOMCOM Hall Tree, please refer to the following common solutions:

- **Stability Issues:** Ensure all assembly hardware is securely tightened. Verify that the anti-toppling device is correctly installed and anchored to the wall.
- **Drawers Not Sliding Smoothly:** Check for any obstructions in the drawer glides. Ensure the drawers are assembled correctly and the glides are aligned.
- **Missing Parts:** If any parts were missing upon delivery, please contact customer support immediately with your purchase details.
