KDFJ 5-Layer Collapsible Shelving Unit

KDFJ 5-Layer Collapsible Heavy Duty Steel Shelving Unit

Model: 5-Layer Collapsible Shelving Unit | Brand: KDFJ

1. IMPORTANT SAFETY INSTRUCTIONS

- Read all instructions before assembly and use.
- Do not exceed the maximum weight capacity per shelf or for the entire unit. Refer to the specifications section for details.
- Ensure the unit is placed on a flat, stable surface to prevent tipping.
- When moving the unit, ensure all items are removed from the shelves to prevent accidents and damage.
- Lock the caster wheels when the unit is in its desired position to ensure stability.
- Keep hands and fingers clear of moving parts during unfolding and folding operations.
- This unit is designed for indoor use. Avoid exposure to extreme weather conditions.

2. PACKAGE CONTENTS

Please verify that all components are present before proceeding with setup.

- 1 x KDFJ 5-Layer Collapsible Shelving Unit (pre-assembled main frame)
- 4 x Caster Wheels (2 with locking mechanism)

3. SETUP AND ASSEMBLY

The KDFJ Collapsible Shelving Unit features a pre-assembled design, requiring no tools for initial setup. The unit can be unfolded and ready for use in a few seconds.

3.1 Unfolding the Shelving Unit

1. Carefully remove the unit from its packaging. The unit will be in a folded, compact state.
2. Gently pull the sides of the unit apart to begin unfolding.
3. As the unit unfolds, the shelves will automatically drop into place. Ensure each shelf is fully extended and securely seated.

4. Once fully unfolded, the unit will stand upright.

Unfold Only *5 Seconds* Without Tool

WARNING!
USE CAUTION WHEN
FOLDING AND UNFOLDING!

Image: Step-by-step guide for unfolding the shelving unit.

3.2 Attaching Caster Wheels

The unit comes with four caster wheels for easy mobility. Two of these wheels include a smart-lock function for stability.

1. Turn the unfolded shelving unit upside down or tilt it carefully to access the bottom frame.
2. Insert each caster wheel into the designated holes at the bottom of the unit's legs. Push firmly until they click into place.
3. Ensure the two locking caster wheels are installed on the same side (e.g., front) for convenient access.
4. Return the unit to its upright position.

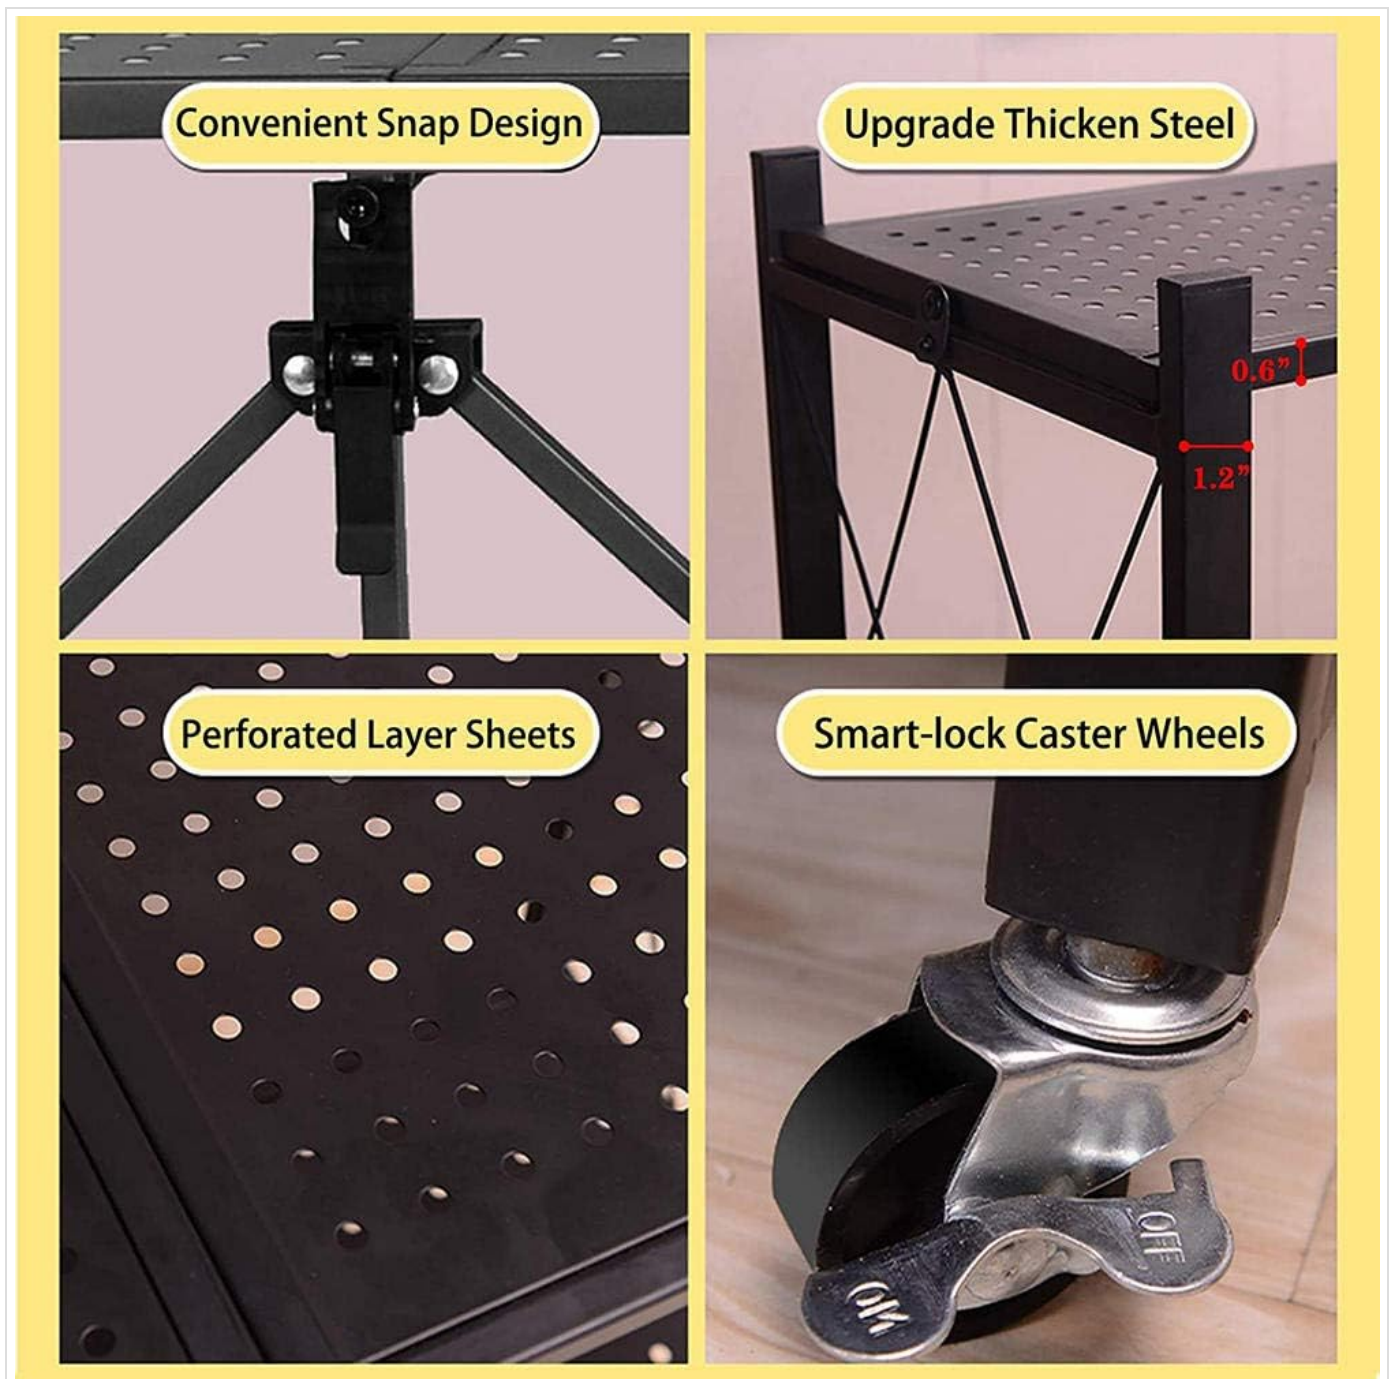

Image: Detail of the smart-lock caster wheels.

4. OPERATING INSTRUCTIONS

4.1 Using the Shelving Unit

- Place items evenly on the shelves, distributing weight to maintain balance.
- Do not overload shelves beyond their stated capacity.
- For stationary use, ensure the locking caster wheels are engaged by pressing down on the lock lever.

4.2 Moving the Shelving Unit

1. Before moving, unlock the caster wheels by lifting the lock levers.
2. Carefully push or pull the unit to its new location. Avoid sudden movements or excessive force.
3. Once in the desired position, engage the locking caster wheels to secure the unit.

4.3 Folding for Storage

To fold the unit for compact storage:

1. Remove all items from the shelves.
2. Disengage the locking caster wheels.
3. Lift each shelf individually, starting from the top, to disengage them from their support brackets.
4. Push the sides of the unit together until it collapses into its compact folded state.
5. Ensure all parts are securely folded before storing.

5. MAINTENANCE

To ensure the longevity and appearance of your KDFJ shelving unit:

- **Cleaning:** Wipe the unit with a dry cloth to remove dust and debris. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Inspection:** Periodically check all connections and moving parts (casters, folding mechanisms) to ensure they are secure and functioning correctly.
- **Storage:** When not in use, store the folded unit in a dry place to prevent rust or damage.

6. TROUBLESHOOTING

If you encounter any issues with your shelving unit, please refer to the following common solutions:

- **Unit is unstable/wobbly:** Ensure the unit is on a level surface. Check that all shelves are fully engaged and the frame is properly unfolded. If using casters, ensure the locking mechanisms are engaged when stationary.
- **Difficulty folding/unfolding:** Ensure all items are removed from the shelves. Check for any obstructions in the folding mechanism. Apply gentle, even pressure.
- **Caster wheels not rolling smoothly:** Check for debris caught in the wheels. Ensure the locking mechanism is fully disengaged.

If problems persist, please contact customer support.
