

Decool 3112

Decool Architectural Engineer 4-in-1 Building Block Set 3112

Instruction Manual

1. INTRODUCTION

This manual provides essential information for the assembly, use, and maintenance of your Decool Architectural Engineer 4-in-1 Building Block Set, Model 3112. This set is designed to encourage creativity and develop social skills through architectural construction. It contains 213 pieces, allowing for the creation of multiple models.

Please read these instructions carefully before beginning assembly and retain this manual for future reference.

2. SAFETY INFORMATION

- **Age Recommendation:** This product is suitable for individuals aged 8 years and above. The manufacturer's recommended age is 9-12 years.
- **Choking Hazard:** The set contains small parts. Keep away from children under 3 years of age to prevent choking.
- **Material Safety:** The building blocks are made from non-toxic plastic materials.
- **Supervision:** Adult supervision is recommended during assembly and play, especially for younger users.
- **Proper Use:** Do not attempt to modify or force pieces together. Use only as intended for construction.

3. PACKAGE CONTENTS

The Decool Architectural Engineer 4-in-1 Building Block Set 3112 includes:

- 213 assorted building block pieces.
- One instruction booklet (separate from this manual) detailing specific model assemblies.

Please verify that all pieces are present upon opening the package. If any pieces are missing, refer to the Troubleshooting section.

4. SETUP

1. **Unpack:** Carefully remove all contents from the packaging.
2. **Organize:** Sort the building blocks by color, shape, or size to facilitate easier assembly. This step is optional but highly recommended for complex models.

3. **Workspace:** Choose a clean, flat, and well-lit surface for assembly to prevent loss of small pieces.

5. OPERATING (ASSEMBLY INSTRUCTIONS)

This 4-in-1 set allows for the construction of four different architectural models. Refer to the dedicated instruction booklet included in your package for detailed, step-by-step assembly guides for each model.

General Assembly Tips:

- **Follow Steps:** Always follow the assembly steps in the provided instruction booklet sequentially.
- **Piece Identification:** Carefully identify each piece before attaching it. The booklet will often show a 1:1 scale for smaller pieces.
- **Firm Connection:** Ensure pieces are firmly connected to maintain the structural integrity of your model.
- **Disassembly:** To disassemble, gently pull pieces apart. Avoid twisting or bending to prevent damage.

6. MAINTENANCE

- **Cleaning:** To clean the building blocks, wipe them with a damp cloth and mild soap. Rinse thoroughly and air dry. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the blocks in a clean, dry place, away from direct sunlight and extreme temperatures, to prevent material degradation and discoloration.
- **Inspection:** Periodically inspect all pieces for any signs of wear or damage. Discard any broken pieces to prevent injury.

7. TROUBLESHOOTING

Problem	Solution
Missing pieces upon opening.	Carefully check all packaging materials. If pieces are still missing, contact Decool customer support with your product model number and purchase details.
Difficulty connecting pieces.	Ensure the pieces are correctly oriented according to the instruction booklet. Apply gentle, even pressure. Do not force pieces.
Model is unstable or falls apart.	Double-check all connections to ensure they are firm. Review the assembly steps in the instruction booklet to confirm correct placement of all pieces.
