

Fanvil PA3

Fanvil PA3 SIP Paging Gateway Instruction Manual

Model: PA3
Brand: Fanvil

1. INTRODUCTION

The Fanvil PA3 is designed for internal installations, particularly for public broadcasting. It offers HD audio and rich interfaces, enabling real-time and fixed-time MP3 broadcasting, and one-touch intercom functionality when connected to external devices. The PA3 is suitable for integrated broadcasting solutions in various environments such as campuses, shopping malls, railway stations, and buildings.

2. SAFETY INFORMATION

- Read all instructions carefully before operating the device.
- Do not expose the device to water or moisture.
- Use only the specified power supply adapter (12-24V/2Amp, not included).
- Do not attempt to open or repair the device yourself. Refer all servicing to qualified personnel.
- Keep the device away from heat sources and direct sunlight.

3. PACKAGE CONTENTS

Verify that all items are present in your package:

- Fanvil PA3 SIP Paging Gateway Unit
- Audio in/out cables
- Programmable keys with indicator light (likely integrated or included as accessories)

4. PRODUCT OVERVIEW

The Fanvil PA3 features a compact design with various interfaces for connectivity and control. Key features include SIP lines, speaker and microphone interfaces, USB/TF card support, audio input/output, and programmable keys.

Image: Fanvil PA3 SIP Paging Gateway, front view.

Key Features:

- 2 SIP Lines
- 1 Speaker Interface and 1 Microphone Interface
- Support for USB or TF card Connectivity (Max 32GB)
- 1 Audio in and 1 Audio out Interface
- 2 Interfaces of Programmable Keys with Indicator Light

5. SETUP

5.1 Physical Installation

- The Fanvil PA3 supports multiple mounting types. Choose a suitable location for installation, considering network and power access.
- The device is constructed from metal and plastic, suitable for indoor use.

5.2 Power Connection

- Connect a compatible 12-24V/2Amp DC power supply adapter (not included) to the power input port on the PA3.
- Ensure the power source is stable and meets the device's requirements.

5.3 Network Connection

- Connect an Ethernet cable from your network switch or router to the LAN port on the PA3.
- The device will obtain an IP address via DHCP by default.

5.4 Audio Connections

- Connect external speakers to the speaker interface.
- Connect a microphone to the microphone interface for two-way communication.
- Utilize the audio in/out interfaces for connecting other audio sources or destinations as required by your broadcasting setup.

6. OPERATING INSTRUCTIONS

6.1 SIP Line Configuration

- The Fanvil PA3 supports 2 SIP lines. Access the device's web interface to configure SIP accounts, server addresses, and authentication details.
- Refer to your SIP server documentation for specific configuration parameters.

6.2 Public Broadcasting

- The PA3 can be used for real-time and fixed-time MP3 broadcasting. Configure broadcasting schedules and audio sources through the device's management interface.
- Ensure audio input sources are correctly connected and configured.

6.3 One-Touch Intercom

- Connect external devices or configure SIP extensions to enable one-touch intercom functionality.
- The programmable keys can be assigned for quick intercom calls.

6.4 Programmable Keys

- The PA3 features 2 programmable keys with indicator lights. These keys can be customized via the web interface to perform various functions, such as initiating broadcasts, intercom calls, or controlling external devices.

6.5 USB/TF Card Usage

- Insert a USB drive or TF card (up to 32GB) into the designated slot for media storage or playback. This can be

used for pre-recorded announcements or background music.

7. MAINTENANCE

7.1 Cleaning

- Wipe the exterior of the device with a soft, dry cloth.
- Do not use liquid cleaners, aerosols, or solvents, as they may damage the device.

7.2 Firmware Updates

- Periodically check the official Fanvil website for the latest firmware updates for the PA3.
- Firmware updates can improve performance, add new features, and resolve potential issues. Follow the instructions provided by Fanvil for the update process.

8. TROUBLESHOOTING

8.1 Device Not Powering On

- Ensure the power adapter is securely connected to both the device and a working power outlet.
- Verify that the power adapter meets the specified voltage and current requirements (12-24V/2Amp DC).

8.2 No Audio Output

- Check all speaker connections to ensure they are secure and correctly wired.
- Verify the volume settings on the PA3 and any connected audio equipment.
- Confirm that the audio source is active and properly configured.

8.3 Network Connectivity Issues

- Ensure the Ethernet cable is securely connected to the LAN port on the PA3 and your network device.
- Check your network settings (IP address, subnet mask, gateway) via the device's web interface.
- Verify that the SIP accounts are registered successfully.

8.4 Intercom Not Working

- Check the connections to external intercom devices.
- Verify the configuration of intercom extensions or programmable keys.

8.5 General Performance Issues

- Consider performing a firmware update as described in the Maintenance section.
- If issues persist, contact Fanvil support for further assistance.

9. SPECIFICATIONS

Feature	Description
Model Name	PA3
Brand	Fanvil
Mounting Type	Multiple mounting types
Material	Metal, Plastic
Special Feature	Programmable Keys with Indicator Light

Recommended Uses	For Public Broadcasting, Integrated Broadcasting Solutions, and One-touch Intercom
Compatible Devices	Desktop
Surround Sound Channel Configuration	2.0 (Audio output capability)
Color	Black
Included Components	Audio in/out cables, Programmable keys with indicator light
Water Resistance Level	Not Water Resistant
Control Method	Touch
Wireless Communication Technology	Bluetooth (for auxiliary functions)
Power Source	12-24V/2Amp Power Supply adapter (Not Included)
Input Voltage	12 Volts (DC)
Connectivity Technology	USB
Audio Output Mode	Stereo
Item Weight	11.7 ounces
Package Dimensions	8.39 x 5.04 x 2.8 inches
Indoor/Outdoor Usage	Indoor
UPC	889837001608

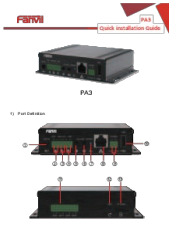

10. WARRANTY INFORMATION

For warranty details, please refer to the documentation provided with your purchase or contact Fanvil customer support directly. Keep your proof of purchase for warranty claims.

11. SUPPORT

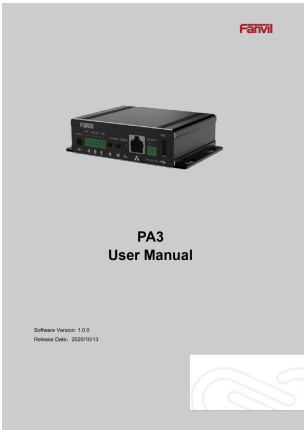

For technical assistance, product inquiries, or further support, please visit the official Fanvil website or contact their customer service department. You can typically find contact information and FAQs on their website.
