PACKAGE CONTENTS

Verify that all components are present in the package:

- Drumsticks
- Power supply
- Drum throne

In addition to the listed items, the Efnote 5 Kit D Electronic Drum Kit includes the following drum and cymbal pads:

- Kick: 16" x 12"
- Snare: 12" x 5"
- Tom: 10" x 7"
- Floor Tom: 12" x 12"
- Hi-Hat: 14" (upper, lower)
- Crash: 16"
- Ride: 18"
- Splash: 8"

Image Description: A complete view of the Efnote 5 Kit D Electronic Drum Kit, showcasing the kick drum, snare, tom, floor tom, hi-hat, crash, and ride cymbals, along with the drum module stand.

SETUP GUIDE

1. Unpacking and Placement

Carefully remove all components from the packaging. Place the drum kit on a stable, flat surface. Ensure adequate space for playing and movement.

2. Assembling the Rack and Stands

Assemble the drum rack and cymbal stands according to the diagrams. Secure all clamps and fasteners firmly.

Image Description: A detailed view of the Efnote 5 Kit D Electronic Drum Kit from a slightly different angle, highlighting the chrome hardware and the arrangement of the drum and cymbal pads.

3. Attaching Pads and Cymbals

Attach the kick drum, snare, tom, and floor tom pads to their respective mounts. Secure the hi-hat, crash, ride, and splash cymbals to their stands. Adjust the height and angle of each component for comfortable playing.

Image Description: An overhead perspective of the Efnote 5 Kit D Electronic Drum Kit, illustrating the arrangement of the drum pads and cymbals, providing a clear view of the playing surfaces.

4. Connecting the Module

Connect each drum and cymbal pad to the main drum module using the provided cables. Ensure each cable is securely plugged into the correct input on the module.

5. Power Connection

Connect the power supply to the drum module and then plug it into a standard electrical outlet.

6. Connecting to External Devices

The module features a USB connector for connecting to computers or other compatible devices. Use a USB cable (not included) to establish this connection for MIDI data transfer or audio recording.

OPERATING INSTRUCTIONS

1. Powering On/Off

Press the power button on the drum module to turn the unit on. To power off, press and hold the power button until the unit shuts down.

2. Basic Sound Selection

Use the navigation buttons on the module to browse and select different drum kits and sounds. Refer to the module's display for current selections.

3. Adjusting Volume

Use the master volume knob to adjust the overall output volume. Individual pad volumes can often be adjusted within the module's settings.

4. Playing Techniques

The pads are designed to respond to various playing dynamics. Experiment with different striking forces and techniques to achieve desired sounds. The cymbals support choke functions for realistic cymbal muting.

MAINTENANCE AND CARE

Cleaning

Regularly wipe down the drum pads, cymbals, and module with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Avoid abrasive cleaners or solvents.

Storage

When not in use, store the drum kit in a clean, dry environment away from direct sunlight and extreme temperatures.

Cable Management

Ensure cables are not tangled or pinched to prevent damage.

TROUBLESHOOTING

No Sound

Check all cable connections between the pads/cymbals and the module. Ensure the power supply is connected and the module is powered on. Verify that the master volume is turned up.

Incorrect Sound

Ensure the correct drum kit or sound is selected on the module. Check individual pad settings within the module to confirm proper assignment.

Pad Not Responding

Check the cable connection for the specific pad. Inspect the pad surface for any visible damage.

Module Not Powering On

Verify the power supply is securely connected to both the module and the electrical outlet. Try a different outlet if necessary.

SPECIFICATIONS

Feature	Detail
Item Weight	47.7 Kilograms (104.9 pounds)
Body Material	Metal
Included Components	Drumsticks, Power supply, Drum throne
Finish Type	Polished
Manufacturer	Efnote

Feature	Detail
Product Dimensions	47.24 x 31.69 x 21.65 inches
