# IKEA GUNNÖN Gazebo 238x233 cm Instruction Manual

## INTRODUCTION

This manual provides essential information for the safe assembly, operation, and maintenance of your IKEA GUNNÖN Gazebo. Please read these instructions carefully before setting up and using your gazebo. Keep this manual for future reference.

The IKEA GUNNÖN Gazebo is designed to provide shade and a comfortable outdoor space. It measures 238 cm in width, 233 cm in length, and 235 cm in height. This product requires assembly by two people for safety.

## SAFETY INFORMATION

- This gazebo does not block UV rays from light reflection or scattering.
- In strong winds, always remove the fabric from the frame to prevent damage.
- For safety, assembly should be performed by two people.
- Securely fix the gazebo to the ground. Plastic pegs are included for securing the gazebo on grass. Fasteners for other types of ground are not included and must be sourced separately.
- To prevent damage to the gazebo, it is always recommended to remove the gazebo roof during very heavy rain or strong winds.

## SETUP AND ASSEMBLY

This product requires assembly. For your safety and ease of installation, it is recommended that two people perform the assembly process.

1. Unpack all components and verify against the parts list (refer to the separate assembly guide included with your product).
2. Assemble the frame structure according to the detailed diagrams in the assembly guide. Ensure all

connections are secure.

3. Attach the canopy fabric to the assembled frame. Ensure the fabric is taut and evenly distributed.

Image: Close-up of the gazebo corner, illustrating how the fabric is secured to the metal frame.

4. Secure the gazebo to the ground using the provided plastic pegs if installing on grass. For other surfaces, appropriate fasteners must be used (not included).
5. If connecting two GUNNÖN gazebos, use the included spare hook-and-loop fastener to join them securely.

## OPERATING AND USAGE

---

The IKEA GUNNÖN Gazebo is designed for outdoor use to provide shade. It can comfortably accommodate two people.

- **Dimensions:** Length: 233 cm, Width: 238 cm, Height: 235 cm.
- **Occupancy:** Designed for use by 2 people.
- **UV Protection:** Please note that this gazebo does not offer complete UV protection from light reflection or scattering.
- Always ensure the gazebo is securely anchored to the ground before use.

## MAINTENANCE AND CARE

---

Proper care will extend the life and appearance of your gazebo.

- **Cleaning:** Regularly wipe dirt from both the outside and inside of the canopy fabric. Use a soft cloth and mild soap solution if necessary. Rinse thoroughly and allow to air dry completely.

- **Seasonal Storage:** After the season, or when not in use for extended periods, disassemble the gazebo and store it in a dry, cool indoor place.
- **Weather Precautions:** To prevent damage, it is strongly recommended to remove the gazebo roof during very heavy rain or strong winds.

## TROUBLESHOOTING

---

If you encounter any issues with your GUNNÖN Gazebo, please review the assembly instructions to ensure all parts are correctly installed and secured. For persistent problems, contact IKEA customer support.

- **Stability Issues:** Ensure the gazebo is properly anchored to the ground. Check all frame connections for tightness.
- **Fabric Sagging:** Verify that the canopy fabric is correctly attached and stretched taut over the frame.
