

JBL JBLT510BTROSAM

JBL Tune 510BT Wireless Headphones

INSTRUCTION MANUAL

Introduction

The JBL Tune 510BT headphones deliver powerful JBL Pure Bass Sound wirelessly. Designed for ease of use and comfort, these headphones offer extended battery life and convenient features for daily listening and communication. Key features include:

- JBL Pure Bass Sound for an immersive audio experience.
- Wireless Bluetooth 5.0 connectivity for seamless streaming.
- Up to 40 hours of battery life with speed charge capability (5-minute charge provides 2 additional hours).
- Integrated microphone on the ear cup for hands-free calls.
- Voice assistant activation (Siri or Hey Google) via a multi-function button.
- Lightweight and foldable design for portability and comfort.

Setup

Follow these steps to set up your JBL Tune 510BT headphones for first-time use.

1. Charging the Headphones

Before first use, fully charge your headphones. Use the provided Type-C USB charging cable to connect the headphones to a power source. The LED indicator will show charging status and turn off when fully charged.

2. Bluetooth Pairing

1. Ensure the headphones are powered off.
2. Press and hold the power button on the ear cup until the LED indicator flashes blue, indicating pairing mode.
3. On your device (smartphone, tablet, PC), enable Bluetooth and search for available devices.
4. Select "JBL Tune 510BT" from the list of devices.
5. Once connected, the LED indicator will turn solid blue.

The headphones can switch between two devices seamlessly. To switch, simply pause audio on the first device and play on the second. The headphones will automatically connect to the active device.

Operating Instructions

Understand the various functions and controls of your JBL Tune 510BT headphones.

Controls Overview

Function	Action
Power On/Off	Press and hold the power button.
Volume Up	Press the '+' button.
Volume Down	Press the '-' button.
Play/Pause	Press the multi-function button once.
Next Track	Double-press the multi-function button.
Previous Track	Triple-press the multi-function button.
Answer/End Call	Press the multi-function button once during a call.
Reject Call	Press and hold the multi-function button.
Activate Voice Assistant (Siri/Hey Google)	Press and hold the multi-function button.

Hands-Free Calls

The integrated microphone allows for clear hands-free communication. Control calls directly from the ear cup buttons.

Maintenance

Proper care and maintenance will extend the life of your JBL Tune 510BT headphones.

Cleaning

- Wipe the ear cups and headband with a soft, dry cloth.
- Do not use harsh chemicals, cleaning solvents, or strong detergents.
- Avoid getting moisture into any openings.

Storage

Store your headphones in a cool, dry place away from direct sunlight and extreme temperatures. The foldable design allows for compact storage.

Adjusting Headset Fit

If the headset feels too tight, you can gently stretch them by placing them over a ball or similar-sized object. Leave them undisturbed for at least 24 hours. Repeat if necessary. Adjust both earpieces for the best fit.

Troubleshooting

If you encounter issues with your JBL Tune 510BT headphones, refer to the common solutions below. For more detailed assistance, please consult the official Troubleshooting Guide.

- **No Power:** Ensure the headphones are fully charged.
- **No Sound/Poor Sound Quality:** Check Bluetooth connection, device volume, and headphone volume. Ensure headphones are within range of the paired device.
- **Cannot Pair:** Ensure headphones are in pairing mode (flashing blue LED). Turn off and on Bluetooth on your device. Forget the device from your Bluetooth list and try pairing again.

- **Microphone Issues:** Ensure the microphone is not obstructed. Check device settings to confirm the JBL Tune 510BT is selected as the audio input.
