## SORARA B092CZD5WR

# Sorara Pergola Accessories Privacy Screen Panel Instruction Manual

Model: B092CZD5WR

Brand: SORARA

## INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Sorara Pergola Accessories Privacy Screen Panel. This product is designed to be an accessory for a 10'x13' Sorara Pergola or Gazebo, offering privacy, sun shade, and protection from light breezes and insects. Please read this manual thoroughly before installation and use to ensure proper function and safety.

## IMPORTANT SAFETY INFORMATION

**WARNING: Handle with care due to the product's weight (88 lbs). Potential hazards may arise during assembly if not handled properly. Always refer to the assembly instructions for correct installation and maintenance guidelines.**

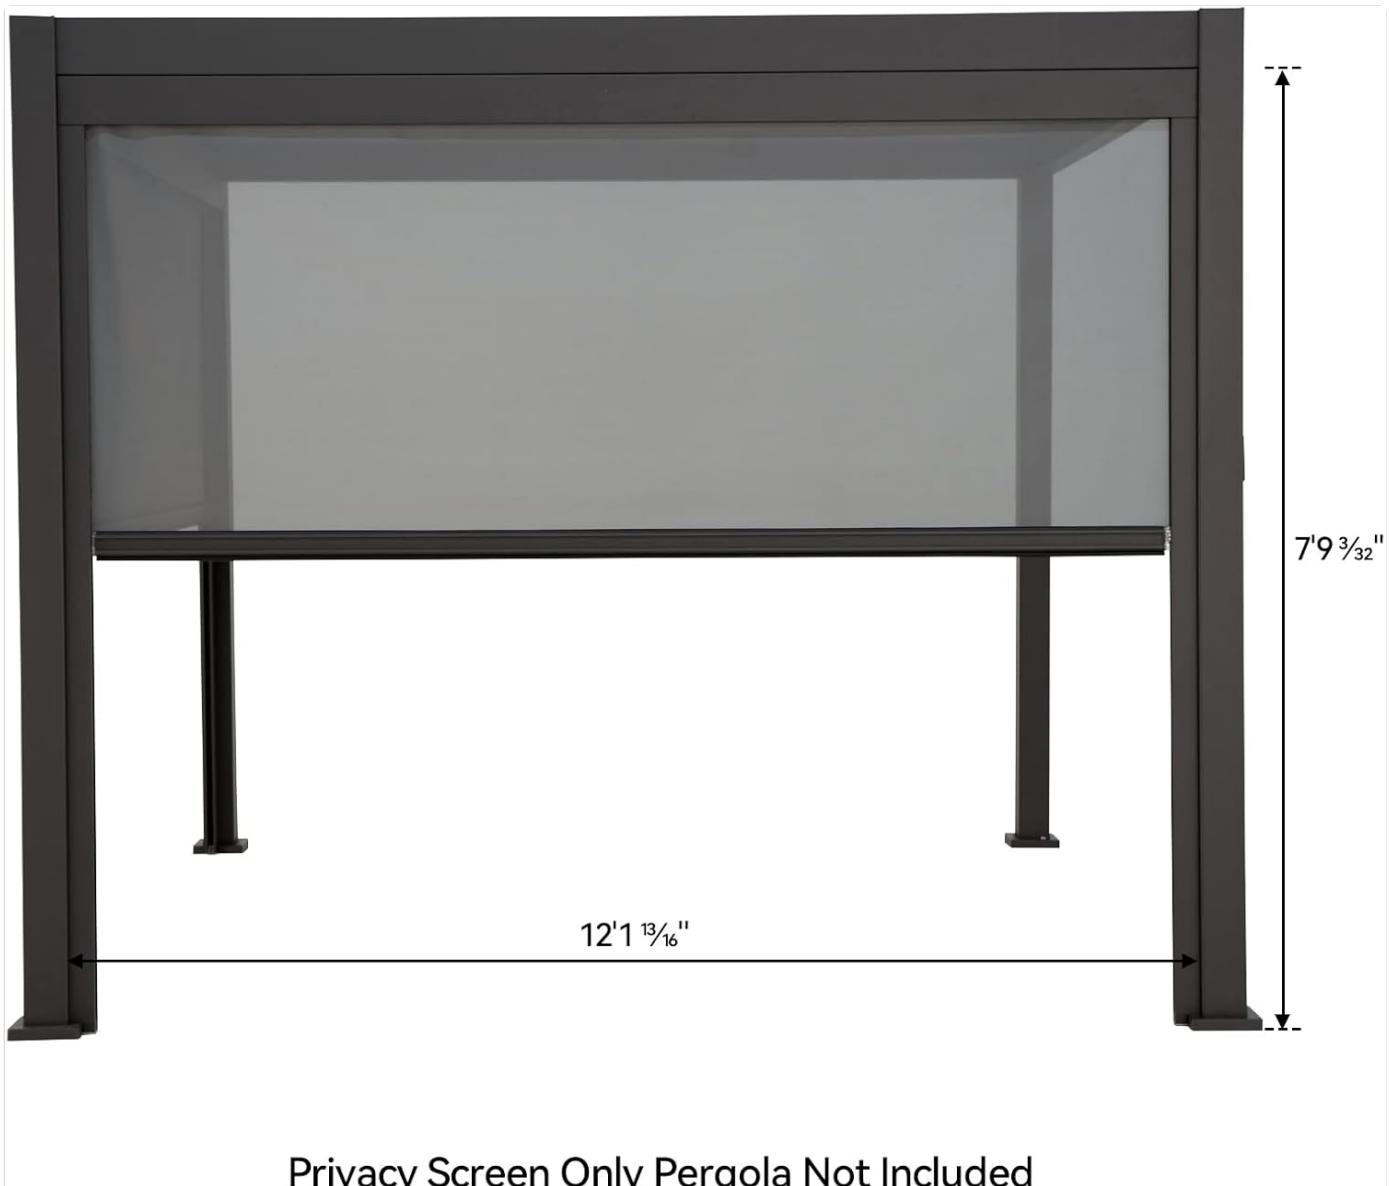

- Ensure all components are present and undamaged before beginning assembly.
- Always use appropriate safety gear, such as gloves and eye protection, during assembly.
- Assembly requires multiple individuals due to the weight and size of the components.
- Securely fasten all screws and connections as instructed to prevent instability.
- Do not attempt to modify the product in any way, as this may compromise its structural integrity and safety.

## COMPONENTS AND PARTS LIST

Before assembly, verify that all the following components are included in your package:

- Fixed Base (for curtain attachment)
- Curtain Main Body (with pull-down beam)
- Fixed Angle Aluminum (left and right)
- Side Slide Rails (left and right)
- Screws (self-drilling and self-tapping)

- Hexagon Socket Head Cap Screws

## Privacy Screen Only Pergola Not Included

## SETUP AND ASSEMBLY INSTRUCTIONS

Follow these steps carefully for proper assembly. It is recommended to have at least two to three people for installation.

Your browser does not support the video tag.

Video: An official instruction video demonstrating the assembly process for the Sorara Pull Down Screen.

### 1. Step 1: Fasten the Fixed Base

Fasten the fixed base component to the horizontal pipe of your Mirador pergola. Use self-drilling and self-tapping screws to secure it firmly. Ensure the base is level and aligned with the pergola structure.

Image: A close-up view of the top mechanism where the fixed base is attached to the pergola's horizontal pipe.

## 2. Step 2: Mount the Curtain Main Body

Carefully lift the main body of the curtain and position it onto the fixed base from the outside. Lift it up until it aligns with the inner top of the fixed base. Secure the fixed base and the main body of the curtain together using the provided screws.

## 3. Step 3: Install Fixed Angle Aluminum and Side Slide Rails

Install the fixed angle aluminum pieces for both the left and right sides. These attach to the vertical columns of the pergola. Then, attach the side slide rails to these fixed angle aluminum pieces on both sides. Ensure they are vertically aligned and securely fastened.

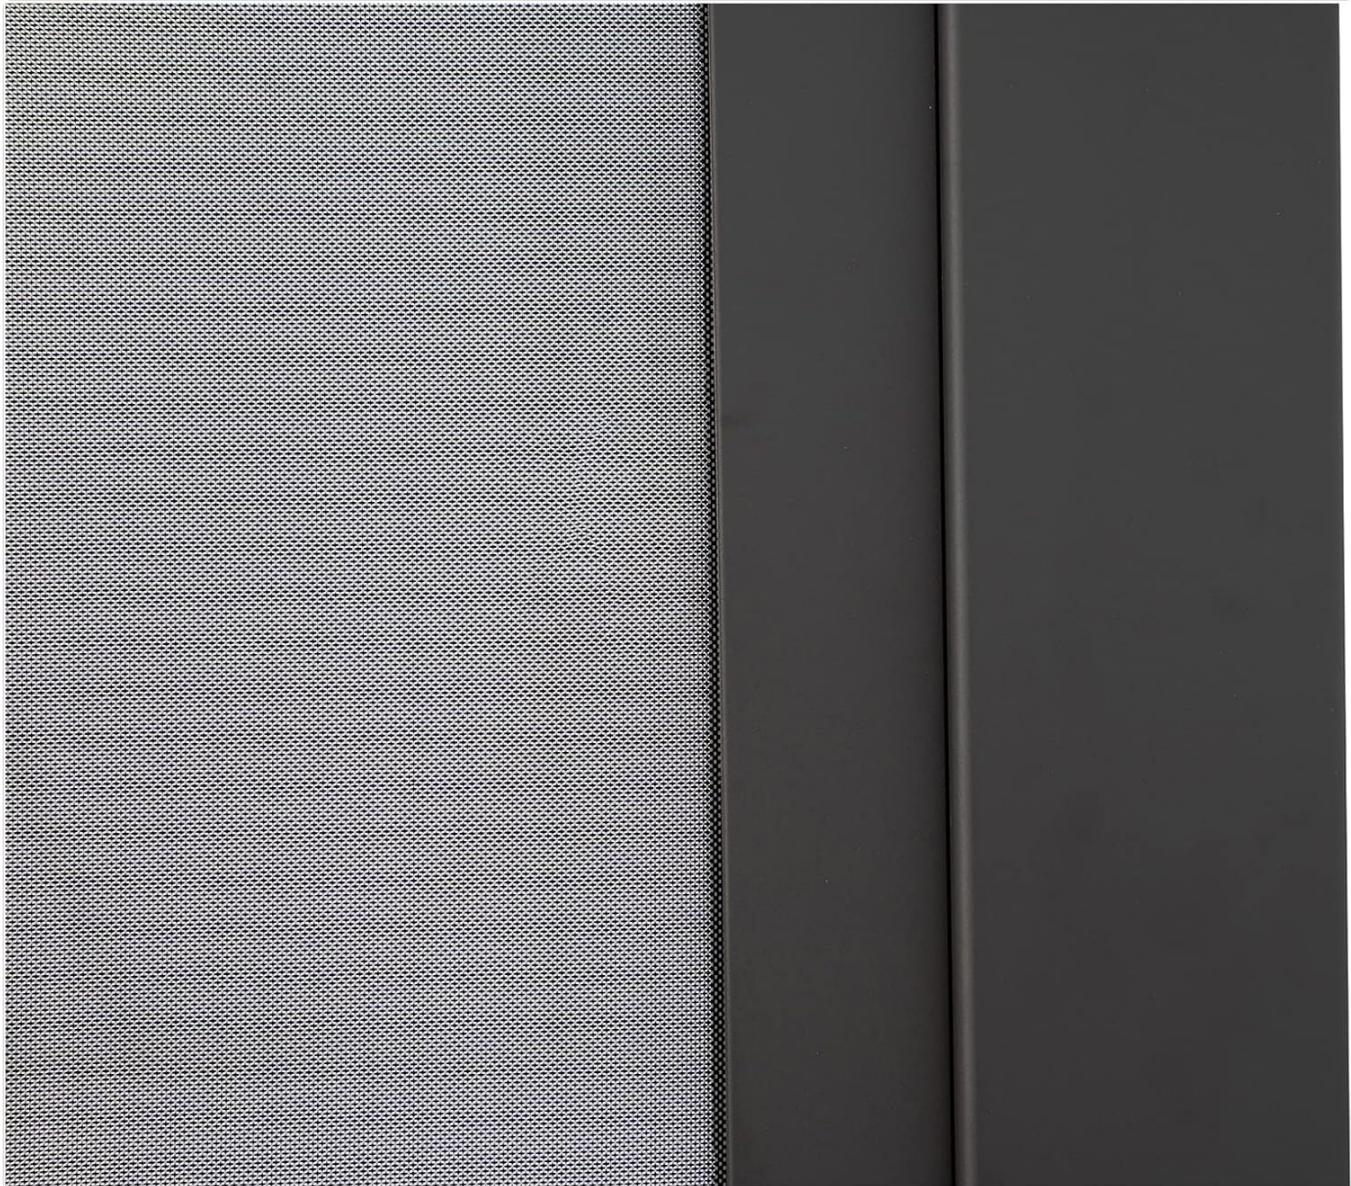

Image: A detailed view of the side rail, which guides the privacy screen up and down.

#### 4. Step 4: Pull Down Beam and Zipper Insertion

Gently pull down the pull-down beam of the curtain to an appropriate length. Simultaneously, insert the zippers located on the left and right sides of the curtain into the corresponding line strips of the side slide rails. Once inserted, fasten the left and right side slide rails to the pergola columns. Finally, secure the hexagon socket head cap screws to complete the installation.

## OPERATING INSTRUCTIONS

The Sorara Privacy Screen Panel features a manually retractable mechanism for easy operation.

- **To Extend the Screen:** Gently pull down the integrated handle located in the bottom rail of the screen. The screen will smoothly extend downwards along the side slide rails. You can stop the screen at any desired height to control privacy and shade.
- **To Retract the Screen:** Push the integrated handle upwards. The screen will retract into its housing at the top of the pergola.

Image: A graphic demonstrating the retractable mechanism, showing how the screen can be stopped at any height for shade control.

## MAINTENANCE

---

To ensure the longevity and optimal performance of your privacy screen, follow these maintenance guidelines:

- **Cleaning:** The 400g/m<sup>2</sup> Textilene fabric is easy to clean. Use a mild soap solution and a soft brush or cloth to wipe down the fabric. Rinse thoroughly with clean water and allow it to air dry completely before retracting.
- **Frame Care:** The aluminum frame is resistant to rust. Wipe down the aluminum vertical and horizontal channels periodically with a damp cloth to remove dirt and debris.
- **Mechanism Check:** Periodically inspect the retracting mechanism and slide rails for any obstructions or signs of wear. Keep the slide rails free of dirt and debris to ensure smooth operation.

## TROUBLESHOOTING

---

If you encounter any issues with your Sorara Privacy Screen Panel, consider the following common solutions:

- **Screen not retracting/extending smoothly:** Check the side slide rails for any debris or obstructions. Ensure the zippers are properly seated within the line strips. Lubricate the moving parts if necessary with a silicone-based spray.
- **Screen appears uneven:** Verify that all fixed bases, fixed angle aluminum pieces, and side slide rails are installed level and securely. Re-check the alignment of the curtain within the rails.
- **Excessive noise during operation:** This may indicate friction in the mechanism or rails. Clean and lubricate the moving parts. Ensure all screws are tightened appropriately.

For persistent issues not resolved by these steps, please contact customer support.

## SPECIFICATIONS

---

<b>Brand</b>	SORARA
<b>Model</b>	B092CZD5WR
<b>Material</b>	Aluminum & Textilene (400g/m <sup>2</sup> )
<b>Style</b>	Heavy Duty
<b>Item Weight</b>	88 Pounds
<b>Frame Material</b>	Alloy Steel, Aluminum
<b>Water Resistance Level</b>	Water Resistant
<b>Shape</b>	Rectangular
<b>Ultraviolet Light Protection</b>	Yes
<b>Assembly Required</b>	Yes
<b>Color</b>	Charcoal Black

## WARRANTY AND SUPPORT

---

For information regarding product warranty, please refer to the terms and conditions provided at the time of purchase or contact Sorara customer support directly.

**Customer Support:** If you have any questions, require assistance with assembly, or need to report a defect, please

contact SORARA USA customer support. You can find contact details on the official SORARA website or through your purchase platform.

This product is shipped from SORARA USA and is eligible for 30-day easy returns.
