## 2. SAFETY INFORMATION

---

To ensure safe operation and prevent damage, please adhere to the following guidelines:

- Do not exceed the maximum weight recommendation of 350 pounds.
- Ensure all bolts and screws are securely tightened during assembly and periodically check for looseness.
- Avoid standing on the chair or using it as a step stool.
- Keep hands and fingers clear of moving parts during adjustment.

## 3. SETUP AND ASSEMBLY

---

Your AutoFull C3 Gaming Chair requires assembly. Please refer to the detailed [Installation Manual \(PDF\)](#) for step-by-step instructions and a complete list of components. Ensure all parts are present before beginning assembly.

## 4. OPERATING INSTRUCTIONS

### 4.1 Ergonomic Adjustments

The AutoFull C3 Gaming Chair is designed with multiple adjustment points to customize your seating experience:

- **Lumbar Support:** The ergonomic lumbar pillow is designed to fit the natural curve of your spine, providing optimal support.

It uses high-density memory foam for enhanced comfort and pressure dispersion.

- **Recline Function:** The chair's back can tilt freely between 90° (upright for work/gaming) and 155° (relaxed position for rest). Use the recline lever located on the side of the chair to adjust the angle.
- **Adjustable Armrests:** The armrests can be adjusted up, down, left, and right to provide personalized support for your arms and shoulders.
- **Footrest:** Extend the built-in footrest for comfortable resting positions, especially when reclining.

## 5. MAINTENANCE

To maintain the quality and longevity of your AutoFull C3 Gaming Chair, follow these care instructions:

- **Cleaning:** Wipe clean with a damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the PU leather finish.

- **Regular Checks:** Periodically inspect all screws and connections to ensure they are tight and secure.
- **Material Care:** The chair features breathable, wear-resistant PU leather with an easy-clean coating for long-lasting durability.

## 6. TROUBLESHOOTING

If you encounter any issues with your AutoFull C3 Gaming Chair, please consider the following:

- **Squeaking/Noise:** Check all bolted connections and tighten any loose screws. Applying a small amount of lubricant to moving parts (e.g., gas lift, casters) may also help.
- **Stability Issues:** Ensure the chair is on a flat, even surface. Verify that the base and gas cylinder are correctly assembled and seated.
- **Adjustment Problems:** Confirm that adjustment levers are fully engaged or disengaged. If a lever feels stuck, do not force it.

For persistent issues or concerns not addressed here, please contact AutoFull customer support.
