DWEPTU B092H8PSQM

DWEPTU LED Desk Lamp Instruction Manual

Model: B092H8PSQM

INTRODUCTION

Thank you for choosing the DWEPTU LED Desk Lamp. This manual provides essential information for the safe and efficient use of your new lamp. Please read these instructions carefully before use and retain them for future reference.

SAFETY INSTRUCTIONS

- Ensure the power source voltage matches the lamp's requirements (5V USB).
- Do not disassemble or modify the lamp. Refer all servicing to qualified personnel.
- Avoid exposing the lamp to extreme temperatures or high humidity. While the lamp is water-resistant to minor spills, it is not designed for submersion.
- Keep the lamp away from flammable materials.
- Do not look directly into the LED light source for extended periods to prevent eye strain.
- Unplug the lamp from the power source before cleaning or when not in use for an extended period.

PACKAGE CONTENTS

Please check the package for the following items:

- DWEPTU LED Desk Lamp with integrated USB cable
- AC Power Plug (USB wall adapter)

SETUP

1. Mounting the Lamp

1. Identify a suitable surface for clamping, such as a desk, shelf, or headboard. The clamp can open up to 3 inches and securely grip surfaces up to 2 inches thick.
2. Open the clamp by pressing the handles.
3. Position the clamp onto the desired surface, ensuring the rubber pads on the inside of the clamp make firm contact to prevent slipping and protect the surface.
4. Release the handles to secure the lamp in place.

Image: The DWEPTU LED Desk Lamp securely clamped to the edge of a wooden desk, demonstrating its mounting capability.

2. Connecting Power

The lamp is powered via a USB connection. You have several options:

- **Using the included AC Power Plug:** Connect the lamp's USB cable to the provided AC power plug, then plug the adapter into a standard wall outlet.
- **Direct USB Connection:** Plug the USB cable directly into any compatible USB port, such as those found on computers, laptops, power banks, or other USB charging devices.

OPERATING INSTRUCTIONS

1. Power On/Off

Locate the push button switch on the lamp's power cord. Press the button once to turn the lamp on, and press it again to turn the lamp off.

2. Adjusting the Light Direction

The DWEPTU LED Desk Lamp features a 360° flexible gooseneck. Gently bend and twist the gooseneck to position the light exactly where needed. The durable metal gooseneck is designed to hold its shape once adjusted.

3. Eye-Caring Technology

This lamp utilizes DC drive technology to provide a non-flickering LED light source. This design helps reduce eye strain and is suitable for extended periods of reading, studying, or working.

MAINTENANCE

Cleaning

- Always unplug the lamp before cleaning.
- Use a soft, dry cloth to wipe the lamp's surface.
- For stubborn marks, a slightly damp cloth can be used, followed by a dry cloth. Avoid abrasive cleaners or solvents.

Storage

When not in use for extended periods, store the lamp in a cool, dry place, away from direct sunlight and moisture.

TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Lamp does not turn on.	No power supply or loose connection.	Ensure the USB cable is securely plugged into a working USB port or the AC adapter, and the adapter is plugged into a live outlet. Press the power button on the cord.
Light flickers.	Unstable power supply.	Try connecting the lamp to a different USB port or a different AC power adapter. Ensure the power source provides stable 5V output.
Gooseneck does not hold position.	Improper adjustment or excessive weight on the lamp head.	Re-adjust the gooseneck to a more stable position. Ensure no additional weight is placed on the lamp head.

SPECIFICATIONS

Feature	Detail
Model	B092H8PSQM
Power Source	USB (5V)
Wattage	5 Watts
Brightness	1000 Lumens
Color Temperature	5000 Kelvin
Light Source Type	LED
Gooseneck Material	Metal
Clamp Material	Durable Plastic
Shade Material	High light guide acrylic
Switch Type	Push Button on Cord
Product Dimensions	5"D x 5"W x 16"H
Item Weight	3.2 ounces
Water Resistance	Water Resistant (for minor spills)
Included Components	AC power plug

Include AC Power Plug
