CARE AND MAINTENANCE

To ensure the longevity and appearance of your Devoko L Shaped Gaming Desk, follow these simple care instructions:

- **Cleaning:** The P2 MDF board surface is scratch-resistant and easy to clean. Use a soft, damp cloth with mild soap and water to wipe down the surface. Avoid harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Spills:** Wipe up spills immediately to prevent staining or damage to the desktop material.
- **Heat Protection:** While durable, it is recommended to use coasters or protective pads under hot items to prevent heat marks.
- **Weight Distribution:** Distribute weight evenly across the desktop to maintain stability and prevent undue stress on the frame.

TROUBLESHOOTING

If you encounter any issues during assembly or use, please consider the following:

- **Assembly Issues: Important:** Ensure all screws are inserted into the correct holes before tightening. Using incorrect screws in the wrong holes may cause the desktop material to crack. Refer to the assembly manual for precise screw identification and placement.
- **Stability:** If the desk feels wobbly, check that all screws are securely tightened and that the adjustable feet are properly leveled on the floor.
