# Bush Business Furniture Universal Floor Storage Cabinet UNS128SG Instruction Manual

## 1. INTRODUCTION

This manual provides essential information for the assembly, operation, and maintenance of your Bush Business Furniture Universal Floor Storage Cabinet with Doors and Shelves, Model UNS128SG. This versatile storage unit is designed for commercial quality and contemporary styling, suitable for various environments including offices, breakrooms, garages, and laundry rooms.

The cabinet features one fixed shelf and one adjustable shelf, each supporting up to 50 pounds, accommodating items of various sizes. Cabinet doors are equipped with smooth Euro-style hinges, and the base includes adjustable levelers to ensure stability on uneven surfaces. The unit is constructed from engineered wood and finished in Storm Gray with Brushed Nickel hardware.

## 2. SETUP AND ASSEMBLY

---

Assembly of the Universal Floor Storage Cabinet is required. Detailed, step-by-step assembly instructions, along with all necessary hardware, are included in the product packaging. Please ensure all components are present before beginning assembly.

For optimal stability and safety, it is recommended to assemble the unit on a soft, clean surface to prevent scratches. Two people may be required for certain assembly steps.

#### Closed Storage Dimensions

**H 31.61"(80.3 cm) x W 26.93"(68.4 cm) x D 22.72"(57.7 cm)**

Image 2.1: Product dimensions: 28.35 inches (72.0 cm) width, 24.69 inches (62.7 cm) depth, and 33.98 inches (86.3 cm) height.

### 3. OPERATING INSTRUCTIONS

#### 3.1 Opening and Closing Doors

The cabinet features two doors equipped with smooth Euro-style hinges. To open, gently pull the Brushed Nickel handles. To close, push the doors until they are flush with the cabinet frame.

Image 3.1: Interior view of the cabinet showing the fixed and adjustable shelves, with doors open.

### **3.2 Adjusting Shelves**

The cabinet includes one fixed shelf and one adjustable shelf. The adjustable shelf can be repositioned to accommodate items of varying heights. Refer to the assembly instructions for detailed steps on how to safely adjust the shelf height using the provided shelf pins.

### **3.3 Using Adjustable Levelers**

The cabinet's base is equipped with adjustable levelers. These can be rotated to compensate for uneven flooring, ensuring the cabinet remains stable and level. Adjust each leveler individually until the cabinet sits firmly without wobbling.

## 4. MAINTENANCE

---

To maintain the appearance and longevity of your storage cabinet, follow these care instructions:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Promptly clean any spills to prevent staining or damage to the engineered wood.
- **Weight Capacity:** Do not exceed the maximum weight limit of 50 pounds per shelf.
- **Leveling:** Periodically check and adjust the levelers to ensure the cabinet remains stable.

The manufacturer specifies "Hand Wash" for care instructions. This typically refers to cleaning the surfaces by hand with appropriate cleaning agents, rather than machine washing.

## 5. TROUBLESHOOTING

---

If you encounter any issues with your storage cabinet, consider the following common solutions:

- **Wobbling Cabinet:** Ensure the adjustable levelers at the base are properly adjusted to compensate for uneven flooring.
- **Doors Not Closing Properly:** Check the alignment of the Euro-style hinges. Minor adjustments may be possible by referring to the assembly instructions or contacting customer support.
- **Missing Parts:** If any assembly parts were missing upon delivery, contact Bush Furniture customer support immediately for assistance.

For issues not covered here, please refer to the detailed assembly manual or contact Bush Furniture customer support.

## 6. SPECIFICATIONS
