## Bush Furniture UNS136PGK

# Bush Business Furniture Universal Tall Storage Cabinet

MODEL: UNS136PGK - PLATINUM GRAY

## Introduction

This manual provides instructions for the assembly, operation, and maintenance of your Bush Business Furniture Universal Tall Storage Cabinet. Designed with commercial quality and contemporary styling, this cabinet is suitable for various environments including home offices, commercial spaces, laundry rooms, and garages. It features two fixed shelves and three adjustable shelves, each capable of supporting up to 50 pounds, offering versatile storage for a range of items.

## Safety Information

**WARNING:** Failure to follow these safety instructions may result in injury or damage to the product.

- Ensure proper installation using the provided wall attachment hardware for maximum stability. This is crucial to prevent tipping, especially in households with children or pets.
- Do not overload shelves. Each shelf is designed to support a maximum of 50 pounds. The total weight limit for the cabinet is 250 pounds.
- Assemble the cabinet on a soft, clean surface to prevent scratches.
- Keep small parts and hardware away from children during assembly.
- Use adjustable levelers on the base to compensate for uneven surfaces and ensure the cabinet is stable and level.

This product contains chemicals known to the State of California to cause cancer and birth defects or other reproductive harm (Proposition 65 warning).

## Package Contents

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Tall Storage Cabinet panels (sides, top, bottom, back)
- Cabinet Doors (2)
- Fixed Shelves (2)
- Adjustable Shelves (3)
- Brushed Nickel Handles (2)
- Euro-style Hinges (4)
- Adjustable Levelers (4)
- Wall Attachment Hardware
- Assembly Hardware (screws, dowels, shelf pins, etc.)

## Setup and Assembly Instructions

Assembly is required for this product. It is recommended to have two people for assembly. Please follow the detailed instructions provided in the separate assembly guide included with your packaging. The general steps are outlined below:

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a protected surface and compare them against the parts list in your assembly guide.
2. **Assemble the Cabinet Frame:** Connect the side panels to the top and bottom panels using the provided hardware.
3. **Install Fixed Shelves:** Secure the two fixed shelves into their designated positions within the cabinet frame.
4. **Attach Back Panels:** Fasten the back panels to the rear of the cabinet frame to ensure structural integrity.
5. **Install Adjustable Shelves:** Insert shelf pins into the desired holes for the three adjustable shelves. Place the shelves on the pins.
6. **Attach Doors and Handles:** Mount the Euro-style hinges to the cabinet frame and doors. Attach the Brushed Nickel handles to the doors.
7. **Adjust Levelers:** Once the cabinet is in its final position, adjust the levelers on the base to ensure the cabinet is stable and plumb on any surface.
8. **Secure to Wall:** For enhanced safety and stability, use the provided wall attachment hardware to secure the cabinet to a wall stud.

## Operating Instructions

- **Opening/Closing Doors:** Gently pull the Brushed Nickel handles to open the cabinet doors. Push the doors firmly to close them. The Euro-style hinges ensure smooth operation.
- **Adjusting Shelves:** To adjust the height of the three adjustable shelves, first remove all items from the shelf. Carefully lift the shelf and remove the four shelf pins. Reinsert the shelf pins into the desired holes at the new height, ensuring they are fully seated. Then, place the shelf back onto the pins.

## Maintenance

- **Cleaning:** Wipe the cabinet surfaces with a soft, damp cloth and a mild, non-abrasive cleaner. Avoid harsh chemicals or abrasive materials that could damage the finish.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary.
- **Leveling:** Re-check the cabinet's level periodically, especially if moved, and adjust the levelers as needed to maintain stability.

## Troubleshooting

- **Cabinet is Wobbly:** Ensure the adjustable levelers on the base are properly adjusted to compensate for uneven flooring. Verify that all assembly hardware is securely tightened. Confirm the cabinet is anchored to the wall using the provided hardware.
- **Doors Do Not Align:** The Euro-style hinges allow for minor adjustments. Refer to your detailed assembly guide for specific instructions on adjusting door alignment. Ensure the cabinet itself is level.
- **Difficulty Adjusting Shelves:** Ensure shelf pins are fully inserted into the desired holes and are not obstructed. Do not force shelves into place.

## Specifications

Feature	Detail
Brand	Bush Furniture
