LOUTOC BN59-01301A Universal Replacement Remote Control Instruction Manual

Model: BN59-01301A

1. PRODUCT OVERVIEW

The LOUTOC BN59-01301A is a universal replacement remote control designed for compatibility with various Samsung Smart TVs, including LED, LCD, HDTV, and 3D models. It functions as an updated alternative to older Samsung remote models BN59-01199F and BN59-01289A. This remote control requires no programming and is ready for use upon battery insertion.

Image 1.2: The BN59-01301A remote control is a suitable replacement for BN59-01199F and BN59-01289A models.

2. SETUP INSTRUCTIONS

2.1 Battery Installation

The remote control requires two AAA batteries (not included).

1. Locate the battery compartment cover on the back of the remote control.
2. Slide the cover downwards to open the compartment.
3. Insert two AAA batteries, ensuring the positive (+) and negative (-) terminals align correctly with the markings inside the compartment.
4. Slide the battery compartment cover back into place until it clicks securely.

Image 2.1: Diagram illustrating the correct insertion of two AAA batteries into the remote control.

2.2 Initial Use

This remote control is pre-programmed and requires no additional setup or pairing with your Samsung TV. Once batteries are installed, it is ready for immediate use.

Image 2.2: The remote control is ready to use without any setup or programming.

3. OPERATING INSTRUCTIONS

The remote control provides standard functions for navigating and controlling your Samsung Smart TV. Point the remote directly at your television for optimal performance. The effective transmitting distance is over 8 meters (26 feet).

4. MAINTENANCE

4.1 Cleaning

To clean the remote control, gently wipe it with a soft, dry cloth. Avoid using liquid cleaners, aerosols, or harsh chemicals, as these can damage the remote's surface or internal components.

4.2 Battery Replacement

Replace batteries when the remote's responsiveness decreases or it stops functioning. Always replace both AAA batteries at the same time with new ones. Do not mix old and new batteries, or different types of batteries.

5. TROUBLESHOOTING

- **Remote not responding:**
 - Ensure batteries are inserted correctly with the correct polarity (+/-).
 - Replace old batteries with new AAA batteries.

- Check for any obstructions between the remote and the TV's infrared receiver.
- Ensure you are within the operating range (up to 8 meters) and pointing the remote directly at the TV.
- **Specific buttons not working:**
 - Verify that the button is intended for your TV model's functions. Some advanced features may vary between TV models.
 - Clean the remote control to ensure no debris is obstructing button presses.

6. SPECIFICATIONS

Feature	Detail
Model Number	BN59-01301A
Brand	LOUTOC
Compatibility	Samsung Smart LED LCD 4K ULTRA HDTV 3D TVs (Replaces BN59-01199F, BN59-01289A)
Power Source	2 x AAA Batteries (not included)
