3. SAFETY INFORMATION

Warning:

- Avoid children from putting small parts in mouth.
- Recommended for ages 36 months to 4 years. Adult supervision is advised.

4. SETUP

1. **Unpack Components:** Carefully remove all items from the packaging. Ensure all 12 mini construction trucks and 12 worker figures are present along with the main carrier truck.
2. **Battery Installation (for sounds and lights):** The main carrier truck requires batteries for its sound and light features. Locate the battery compartment, typically on the underside of the truck's cab. Insert the required batteries

(not included) according to the polarity markings.

3. **Familiarize with Storage:** The carrier truck features transparent side panels that open to reveal storage compartments for the mini vehicles. The front of the truck also has a hidden compartment and a deployable ramp.
