MAINTENANCE

To ensure the longevity and optimal performance of your Logitech Combo Touch Keyboard Case, follow these maintenance guidelines:

- **Cleaning:** Use a soft, damp cloth to wipe down the exterior of the case and keyboard. Avoid harsh chemicals or abrasive materials.
- **Storage:** When not in use, keep the case closed to protect the iPad screen and keyboard. Store in a cool, dry place away from direct sunlight.
- **Avoid Liquids:** Do not expose the keyboard or case to excessive moisture or liquids.

TROUBLESHOOTING

If you encounter issues with your Logitech Combo Touch, try the following solutions:

- **Keyboard Not Responding:**

  - Ensure the Smart Connector is clean and free of debris.
  - Verify the keyboard is securely attached to the iPad case.
  - Restart your iPad.
  - Check if your iPadOS is updated to version 13.4 or above.

- **Trackpad Issues:**

  - Ensure the trackpad surface is clean.
  - Check iPadOS settings for trackpad sensitivity and gestures.

- **Backlight Not Working:**

  - Use the backlight brightness keys on the keyboard to adjust the illumination.
  - Ensure your iPad's ambient light sensor is not obstructed.
