Lamicall PL02-EU-B2

Lamicall Tablet Pillow Holder Stand (Model PL02-EU-B2) Instruction Manual

Brand: Lamicall | Model: PL02-EU-B2

1. PRODUCT OVERVIEW

The Lamicall Tablet Pillow Holder Stand is designed to provide a comfortable and versatile viewing experience for various devices. Its soft, memory foam construction and adjustable angles make it suitable for use on laps, beds, or desks.

Figure 1: Lamicall Tablet Pillow Holder Stand with a tablet.

2. SETUP

Upon receiving your Lamicall Tablet Pillow Holder Stand, it may be vacuum-compressed. To restore its normal shape, please allow it to sit for 6-24 hours. Alternatively, placing it in a dryer for 20 minutes can help it fluff up more quickly.

3. OPERATING INSTRUCTIONS

3.1 Adjusting Viewing Angles

The Lamicall Tablet Pillow Holder Stand features 4 adjustable viewing angles. This is achieved by utilizing the different ridges and sides of the pillow. Simply place your tablet or phone into one of the deeper and wider slots to achieve your desired viewing angle. The design supports both vertical and horizontal viewing orientations.

MULTI-ANGLE DESIGN

Provide a more comfortable angle.

Figure 2: Demonstrating the multi-angle design for comfortable viewing.

3.2 Using the Side Pocket

A convenient side pocket is integrated into the design. This pocket can be used to store small accessories such as your phone, stylus, or earphones, keeping them within easy reach while you use your tablet.

4. MAINTENANCE

The pillowcase of the Lamicall Tablet Pillow Holder Stand is detachable and washable. This allows for easy cleaning and maintenance to keep your stand fresh and hygienic.

To clean, simply unzip and remove the pillowcase, then follow the washing instructions on the care label. Allow it to air dry completely before reattaching.

5. TROUBLESHOOTING

5.1 Tablet Instability

If your tablet feels unstable or slides, ensure it is placed firmly within one of the deeper and wider grooves. The design is intended to provide a sturdy hold. For tablets with thick cases, try adjusting the position or using a different groove to find the most secure fit.

5.2 Pillow Not Fully Expanded

If the pillow has not fully expanded after unpacking, refer to the setup instructions. Allow additional time for it to naturally expand, or use a dryer on a low heat setting for 20 minutes to help it regain its full shape.

6. SPECIFICATIONS

- **Brand:** Lamicall
- **Model Number:** PL02-EU-B2
- **Item Weight:** 10.2 ounces
- **Product Dimensions (LxWxH):** 6.65 x 10.67 x 11.22 inches
- **Color:** Black
- **Form Factor:** Pillow
- **Date First Available:** June 17, 2021

7. COMPATIBILITY

The Lamicall Tablet Pillow Holder Stand is designed for wide compatibility, supporting a range of devices from 4 to

13 inches. This includes, but is not limited to:
