## SAFETY INFORMATION

---

For your safety and to prevent damage to the product, please observe the following:

- **Assembly requires two people.** Ensure assistance is available to prevent injury or damage during the assembly process.
- Follow all instructions carefully. Incorrect assembly can lead to instability and potential hazards.

- Do not overload the table or its drawers. Refer to the "Specifications" section for weight capacities.
- Be cautious of pinch points when assembling or operating the drawer mechanism.
- Keep small parts away from children during assembly to prevent choking hazards.
- Place the table on a flat, stable surface to prevent tipping.

## **PARTS LIST**

---

Before assembly, verify that all components are present and undamaged. If any parts are missing or damaged, contact customer support.

- Table Top
- Drawer Assembly (front, back, sides, bottom, knob, slides)
- Side Panels (with vertical lines)
- Bottom Shelf
- Legs / Base Supports
- Hardware (screws, dowels, cam locks, etc. - specific types not detailed in product info, but implied for assembly)

# MULTIPLE STORAGE

## SETUP AND ASSEMBLY

Assembly requires two people. Please follow the steps below. A screwdriver is recommended for assembly.

1. **Prepare the Area:** Clear a spacious, clean, and soft surface to prevent scratching the furniture during assembly.
2. **Identify Components:** Lay out all parts and hardware. Compare them with the parts list to ensure everything is present.
3. **Assemble the Frame:** Attach the side panels to the legs/base supports using the provided hardware. Ensure all connections are secure but do not overtighten until the entire frame is stable.
4. **Install the Bottom Shelf:** Secure the bottom shelf to the assembled frame.
5. **Assemble the Drawer:** Construct the drawer box by attaching the front, back, and side panels. Install the drawer bottom. Attach the drawer knob to the drawer front.

- 6. Install Drawer Slides:** Attach the drawer slides to both the drawer and the table frame according to the instructions. Ensure they are aligned correctly for smooth operation. *Note: Misalignment of drawer slides is a common assembly challenge; double-check orientation before securing.*
- 7. Attach the Table Top:** Place the table top onto the assembled frame and secure it with the appropriate hardware.
- 8. Final Tightening:** Once all components are in place and aligned, carefully tighten all screws and fasteners. Do not overtighten.

## OPERATING AND USAGE

The HOMCOM End Table is designed for versatile use in various indoor settings.

- Placement:** Position the table next to a sofa, armchair, or bed as an end table, side table, or nightstand. Ensure it is placed on a level surface.
- Table Top:** Use the top surface for lamps, beverages, books, or decorative items. Adhere to the maximum weight

capacity of 88 lbs.

- **Drawer:** The integrated drawer provides concealed storage for personal items, remote controls, or other small necessities. The drawer has a weight capacity of 11 lbs.
- **Bottom Shelf:** The open bottom shelf offers additional storage or display space for books, magazines, or small storage boxes. This shelf has a weight capacity of 22 lbs.

## MAINTENANCE

Proper care will extend the life and appearance of your HOMCOM End Table.

- **Cleaning:** Wipe the surface with a damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Promptly wipe up any spills to prevent staining or damage to the engineered wood.
- **Inspection:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.

- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration.
- **Heat and Moisture:** Keep the table away from direct heat sources and areas of high humidity. Use coasters under hot or wet items.

## TROUBLESHOOTING

If you encounter issues during assembly or use, refer to the following common solutions:

Problem	Possible Cause	Solution
Missing or Damaged Parts	Packaging error or transit damage.	Do not proceed with assembly. Contact HOMCOM customer support with your product model number and a description of the missing/damaged part.
Holes do not align during assembly	Parts are oriented incorrectly or manufacturing defect.	Review the assembly diagrams carefully. Ensure each part is facing the correct direction. Loosen adjacent screws, adjust alignment, then retighten. If the issue persists, contact customer support.
Drawer does not slide smoothly or close properly	Drawer slides are misaligned or installed incorrectly.	Remove the drawer and re-check the installation of the drawer slides on both the drawer and the table frame. Ensure they are level and parallel. Lubricate slides if necessary.
Table is wobbly	Screws are not fully tightened or uneven floor surface.	Ensure all assembly screws are securely tightened. If the floor is uneven, place shims under the legs to stabilize the table.

## SPECIFICATIONS

Feature	Detail
Brand	HOMCOM
Model Number	831-362BK
Overall Dimensions (W x D x H)	19.75" x 13.75" x 23.5"
Material	Engineered Wood
Color	Black
Overall Weight Capacity	88 lbs (40 kg)
Drawer Weight Capacity	11 lbs
Shelf Weight Capacity	22 lbs
