## SLV MOM23-03SV-PS

# SLV Mom Heart Pendant Necklace Instruction Manual

MODEL: MOM23-03SV-PS

## Introduction

Thank you for choosing the SLV Mom Heart Pendant Necklace. This manual provides essential information for the proper setup, use, and maintenance of your jewelry. Please read these instructions carefully to ensure the longevity and beauty of your necklace.

## Product Overview

The SLV Mom Heart Pendant Necklace is an elegantly designed piece featuring a heart motif and the word "MOM". This specific model (MOM23-03SV-PS) is crafted from 14K rose gold plated silver and adorned with pink sapphire accents. It comes with an 18-inch chain, making it a suitable accessory for various occasions.

This image displays the SLV Mom Heart Pendant Necklace, featuring a rose gold plated design with a heart motif and the word 'MOM' adorned with pink sapphire accents. The pendant is suspended from an 18-inch chain.

## Setup

Your SLV Mom Heart Pendant Necklace is ready to wear upon arrival. No assembly is required. Before wearing for the first time, gently inspect the necklace to ensure all components are secure and free from any visible damage. Ensure the clasp operates smoothly.

## Operating (Wearing)

- 1. Open the Clasp:** Locate the clasp mechanism at one end of the chain. Gently open it.
- 2. Position the Necklace:** Place the necklace around your neck, ensuring the pendant is centered as desired.
- 3. Secure the Clasp:** Connect the open clasp to the small ring on the opposite end of the chain until it clicks securely into place.

4. **Adjust for Comfort:** Ensure the necklace sits comfortably and is not too tight or loose.

**Important:** Avoid pulling forcefully on the chain or pendant, as this may cause damage or breakage.

## Maintenance and Care

Proper care will help maintain the luster and integrity of your SLV Mom Heart Pendant Necklace.

- **Cleaning:** Gently wipe the necklace with a soft, lint-free cloth after each wear to remove oils and dirt. For deeper cleaning, use a mild soap solution and warm water. Rinse thoroughly and dry completely with a soft cloth.
- **Avoid Chemicals:** Keep the necklace away from harsh chemicals, perfumes, lotions, hairsprays, and cleaning agents, as these can damage the rose gold plating and pink sapphires.
- **Storage:** Store your necklace in a clean, dry place, preferably in a jewelry box or a soft pouch to prevent scratches and tangling. Avoid storing it in direct sunlight or extreme temperatures.
- **Activity:** Remove the necklace before showering, swimming, exercising, or engaging in activities that may expose it to impact or excessive moisture.

## Troubleshooting

While designed for durability, occasional issues may arise. Here are some general tips:

- **Tarnishing:** Rose gold plated silver can tarnish over time, especially if exposed to moisture or chemicals. Regular cleaning and proper storage can minimize this. If tarnishing occurs, a specialized jewelry cleaning cloth for plated items may help.
- **Chain Tangling:** To prevent tangling, always clasp the necklace before storing it. If tangled, gently work the knots loose using two needles or pins.
- **Loose Stones:** If you notice any stones becoming loose, discontinue wearing the necklace and consult a professional jeweler for repair to prevent loss.

## Specifications

Feature	Detail
Brand	SLV
Model Number	MOM23-03SV-PS
Material	14K Rose Gold Plated Silver
Stone Type	Pink Sapphire
Chain Length	18 inches
