## ZINUS ZU-MFMAG1-12T

# ZINUS 12 Inch Green Tea Luxe Memory Foam Mattress

Model: ZU-MFMAG1-12T

Brand: ZINUS

## 1. PRODUCT OVERVIEW

The ZINUS 12 Inch Green Tea Luxe Memory Foam Mattress is designed to provide enhanced comfort and support for a restful sleep experience. This mattress features premium memory foam infused with green tea in every layer, promoting freshness. Its construction includes a patented 7-zone ventilation system for improved airflow and targeted pressure relief, particularly for areas like shoulders, hips, and knees. The mattress is CertiPUR-US Certified, ensuring durability, performance, and content standards.

This mattress is shipped compressed in a box for convenient delivery and setup.

## 2. SETUP INSTRUCTIONS

Your ZINUS mattress is expertly packaged and compressed for easy shipping and maneuverability. Follow these steps for proper setup:

1. **Unbox within 72 hours:** For optimal expansion, open the mattress packaging within 72 hours of receipt.
2. **Position the Box:** Carefully place the boxed mattress in the room where it will be used.
3. **Remove from Box:** Take the rolled mattress out of its box.
4. **Unroll on Flat Surface:** Place the rolled mattress on a clean, flat, and sturdy surface, such as a bed frame or foundation.

5. **Remove Plastic Wrapping:** Carefully cut and remove the outer plastic wrapping. The mattress will begin to decompress immediately.
6. **Allow for Full Expansion:** Allow up to 72 hours for the mattress to fully expand to its original shape and firmness. During this time, you may notice a slight odor, which is normal and will dissipate.
7. **Accelerate Expansion (Optional):** Walking or gently crawling on the mattress can help accelerate the decompression process.

### 3. OPERATING & FEATURES

The ZINUS Green Tea Luxe Memory Foam Mattress is engineered for optimal sleep quality through its advanced features:

- **Green Tea Infusion:** Natural green tea is infused into every layer of the memory foam, providing a refreshing and odor-neutralizing effect for a consistently fresh sleep environment.
- **Pressure-Relieving Comfort:** The multi-layered memory foam construction adapts to your body's contours, offering customized pressure relief and reducing discomfort in sensitive areas.
- **7-Zone Ventilation System:** A patented ventilation system within the middle layer enhances airflow, preventing heat buildup and ensuring a cool, comfortable sleep surface. This system also provides targeted pressure relief.
- **Breathable Knitted Cover:** The mattress is encased in an all-new upgraded breathable knitted cover, contributing to ultra-comfortable and refreshing sleep.
- **Optimal Support:** Designed to offer a balanced feel that is both firm and cushiony, providing support where needed without excessive sinking.

## 4. MAINTENANCE

Proper care will extend the life and performance of your ZINUS mattress:

- **Cleaning:** The mattress cover is designed for spot cleaning only. Use a mild detergent and a damp cloth to clean any spills or stains. Do not machine wash or dry the cover.
- **Protection:** It is highly recommended to use a mattress protector to shield against spills, stains, and allergens, preserving the mattress's condition.
- **Rotation:** To ensure even wear and prolong the mattress's lifespan, rotate it 180 degrees every 3-6 months. This helps distribute body weight evenly across the surface.
- **Ventilation:** Periodically air out your mattress by removing bedding to allow for better air circulation and to maintain

freshness.

- **Avoid Excessive Moisture:** Keep the mattress dry. Excessive moisture can damage the foam and promote mold growth.

## 5. TROUBLESHOOTING

If you encounter any issues with your ZINUS mattress, consider the following common solutions:

- **Incomplete Expansion:** If the mattress has not fully expanded after 72 hours, ensure it is on a flat surface in a well-ventilated room. Sometimes, cooler temperatures can slow expansion; a warmer room may help. Gentle use can also encourage full decompression.
- **Odor:** A new mattress may have a slight, harmless odor (off-gassing) upon unboxing. This is normal for foam products and will dissipate within a few days in a well-ventilated area.
- **Comfort Adjustment:** It can take a few weeks for your body to adjust to a new mattress. Continue using it for a period to allow for full adaptation.
- **Sinking/Softness:** Ensure the mattress is placed on a suitable, supportive foundation (e.g., platform bed, slatted bed frame with adequate slat spacing, or box spring). An old or unsupportive foundation can affect mattress performance.

For persistent issues not resolved by these steps, please refer to the Warranty and Support section.

## 6. SPECIFICATIONS

| Feature            | Detail                                           |
|--------------------|--------------------------------------------------|
| Product Dimensions | 75"L x 39"W x 12"Th (Twin)                       |
| Item Weight        | 40.2 pounds                                      |
| Model Number       | ZU-MFMAG1-12T                                    |
| Thickness          | 12 Inches                                        |

## 7. WARRANTY AND SUPPORT

Your ZINUS 12 Inch Green Tea Luxe Memory Foam Mattress comes with a **Worry-free 10-year limited warranty**. This warranty covers manufacturing defects and ensures the quality of your mattress.

For warranty claims, product support, or any inquiries, please contact ZINUS customer service through their official website or the retailer where you purchased the product. Please have your proof of purchase and model number (ZU-MFMAG1-12T) ready when contacting support.

### **Important Safety Information:**

- Keep plastic packaging away from children to avoid suffocation risk.
- Do not exceed the recommended weight limit of 250 lbs for Twin size, or 500 lbs for other sizes.

## ASK A QUESTION ABOUT THIS MANUAL

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page's manual context to help answer it.
