User Manual

Kate and Laurel Ulani Modern Nesting Side Table Set

Model: 220818

1. Product Overview

The Kate and Laurel Ulani Nesting Side Table Set offers a modern and glamorous addition to your living space. This set includes two tables designed to nest within one another, providing versatile display and storage options. Each table features a durable iron frame with a polished gold finish and a tray-like tabletop with a gray powder coat finish. The tabletops are designed for easy attachment and removal via magnets.

2. Safety Information

WARNING: To prevent serious injury, please read and follow all safety instructions carefully before assembly and use.

- Assembly is required. Follow all assembly instructions precisely.
- Do not attempt to assemble this product alone. Assistance is recommended to ensure safe and proper assembly.
- This product has a maximum weight capacity of **30 lbs (13.6 kg)** per table. Exceeding this weight limit may lead to instability, damage to the product, or tip-over, potentially causing injury.
- Always ensure the product is stable and correctly assembled before placing any items on it or using it.
- Keep fingers and other body parts clear of all moving parts and pinch points during assembly and when handling the tables.
- Place tables on a flat, stable surface to prevent wobbling or tipping.

3. Assembly Instructions

3.1 Unpacking

Carefully remove all components from the packaging. Lay them out on a clean, soft surface (such as a carpet or blanket) to prevent scratching. Verify that all parts are present according to the packing list (not provided in input, general instruction).

3.2 Assembly Steps

The Ulani Nesting Side Tables are designed for simple assembly. The tabletops attach securely to the frames using integrated magnets.

1. Identify the two metal frames. Note that one frame is slightly larger than the other to accommodate nesting.
2. Identify the two round tabletops. Each tabletop corresponds to one frame.
3. Carefully align the magnetic points on the underside of a tabletop with the corresponding magnetic points on the top corners of a metal frame.
4. Gently lower the tabletop onto the frame until the magnets engage and the tabletop is securely seated. Ensure it is level and stable.
5. Repeat the process for the second table.

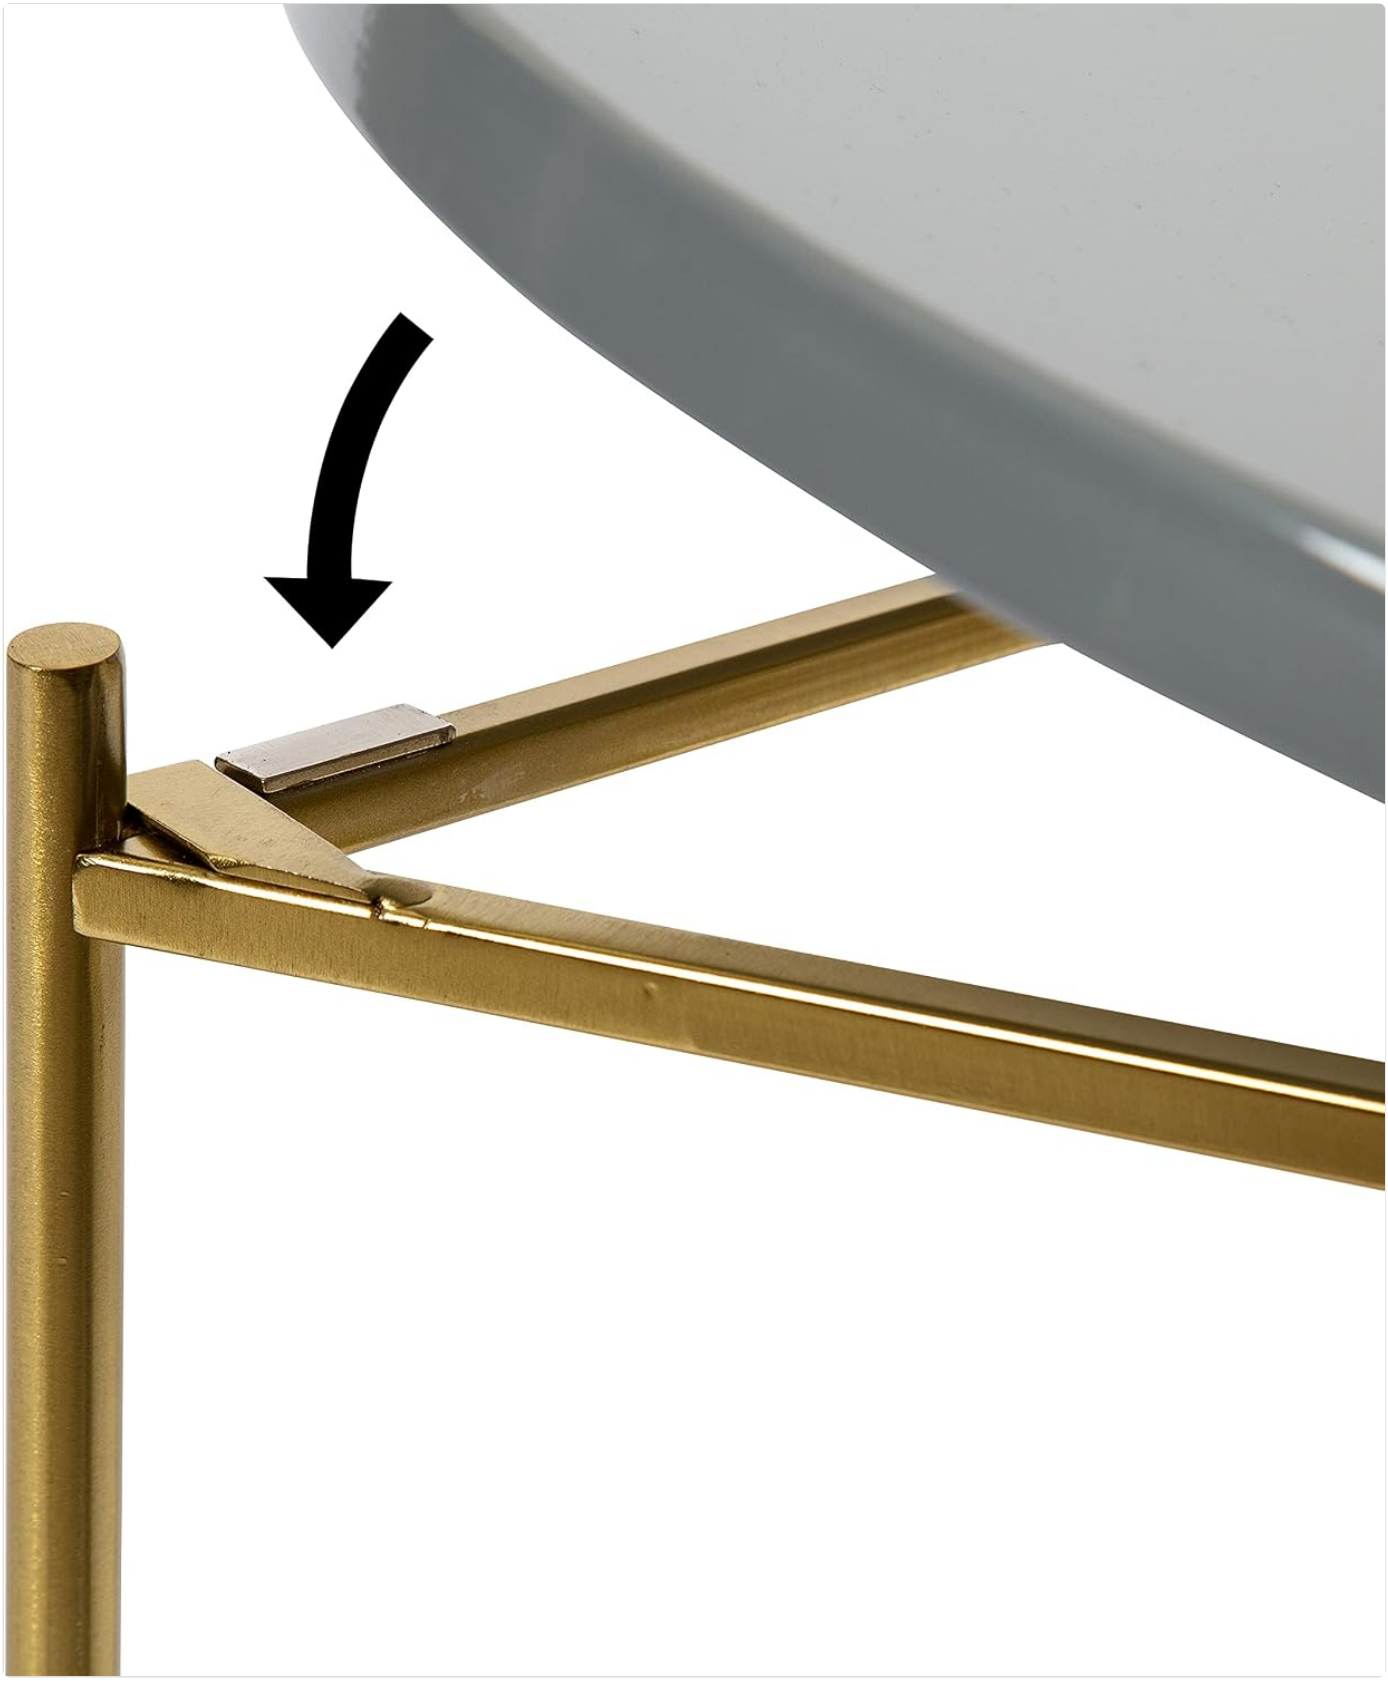

Image 3.2: Close-up view of the magnetic attachment mechanism for securing the tabletop to the frame.

4. Operating and Usage

The Ulani Nesting Side Tables are designed for versatile use in various settings within your home.

4.1 Placement and Functionality

- **Nesting Design:** The smaller table is designed to fit neatly under the larger table, allowing for space-saving storage

when not in use, or a multi-tiered display when partially nested.

- **Versatile Use:** These tables are suitable for decorative display, providing a surface for lamps, photos, plants, or other decorative items. They can also serve as functional storage for small household items like keys, wallets, makeup, or bathroom essentials.
- **Recommended Locations:** Ideal for living rooms as end tables or accent tables, in entryways for convenience, or in bathrooms for organizing toiletries.

Image 4.2: Overhead view of the tabletops displaying various small items, highlighting their utility.

5. Maintenance and Care

Proper care will help maintain the appearance and longevity of your Ulani Nesting Side Tables.

5.1 Cleaning

- To clean the metal frame and tabletop, simply wipe with a dry, soft cloth.
- Avoid using abrasive cleaners, harsh chemicals, or polishes, as these may damage the finish.
- For spills, wipe immediately with a dry cloth. Do not allow liquids to sit on the surface.

5.2 General Care

- Avoid placing extremely hot or cold items directly on the tabletop without protective coasters.
- Do not drag the tables across floors, as this may scratch the floor or damage the table legs. Lift and move them carefully.

- Periodically check all connections and ensure the tabletops are securely attached to the frames.

6. Troubleshooting

If you encounter any issues with your Ulani Nesting Side Tables, refer to the following common solutions:

- **Table Wobbles:** Ensure the table is placed on a flat, even surface. Check that the tabletop is fully seated and the magnets are engaged. If the floor is uneven, consider using furniture pads under the legs to stabilize.
- **Tabletop Not Secure:** Verify that the tabletop is correctly aligned with the magnetic points on the frame. Apply gentle, even pressure to ensure the magnets fully engage.
- **Scratches on Surface:** Minor scratches can sometimes be minimized with appropriate touch-up paint (not included). For deeper scratches, professional repair may be necessary. Always use coasters for drinks and protective pads for decorative items to prevent surface damage.
- **Exceeded Weight Capacity:** If the table appears strained or unstable, immediately remove items to ensure the total weight does not exceed the 30 lbs (13.6 kg) limit.

7. Specifications

Product Specifications for Ulani Nesting Side Table Set

Feature	Detail
Brand	Kate and Laurel
Model Number	220818
Material	100% Iron (Frame and Top)
