SETUP / ASSEMBLY INSTRUCTIONS

Assembly of the Keter Emma Corfu Coffee Storage Table is designed to be straightforward. No special tools are required. Follow these steps carefully:

1. **Prepare the Area:** Choose a flat, clean surface for assembly.
2. **Attach Side Panels:** Connect the four side panels together using the corner connectors. Ensure they click securely into place.
3. **Install the Base Panel: *Crucial Step:*** Slide the base panel into the grooves at the bottom of the assembled side panels **before** fully securing the top. Ensure it sits flush and is firmly in place.
4. **Attach the Table Top/Lid:** Align the lid with the top edges of the side panels. Secure the lid hinges/mechanism according to the specific design (usually a simple snap-on or slide-in). Ensure the lid opens and closes smoothly.

Once assembled, gently test the stability of the table before placing items on or inside it.

OPERATING INSTRUCTIONS

Using the Storage Compartment

The Keter Emma Corfu Coffee Storage Table features a convenient internal storage compartment, ideal for keeping patio cushions, garden tools, or other outdoor essentials protected from the elements.

1. **Opening the Lid:** Gently lift the lid using the integrated handle on the front edge. The lid should open smoothly.
2. **Storing Items:** Place items neatly inside the compartment. Avoid overfilling to ensure the lid can close properly and to prevent damage to the contents or the table.

3. **Closing the Lid:** Lower the lid until it rests securely on the table frame. Ensure it is fully closed to maintain weather resistance.

Using as a Coffee Table

The flat, sturdy top surface serves as an excellent coffee table for drinks, snacks, or decorative items. Its durable resin construction is designed to withstand outdoor conditions.

MAINTENANCE

The Keter Emma Corfu Coffee Storage Table is designed for low maintenance and long-term outdoor use.

- **Cleaning:** Wipe down with a damp cloth and mild soap. Avoid abrasive cleaners or harsh chemicals, as these can damage the resin finish. Rinse thoroughly with water.
- **Weather Resistance:** The table is made from weather and UV-resistant resin. While designed to withstand various outdoor conditions, prolonged exposure to extreme weather (e.g., heavy snow, ice, or intense direct sunlight for many years) may

affect its appearance over time.

- **Storage:** For extended periods of non-use, especially during harsh winter months, consider storing the table indoors or covering it with a protective outdoor furniture cover to prolong its lifespan.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Lid does not close properly.	Storage compartment is overfilled.	Remove some items from the storage compartment to allow the lid to close freely.
Table feels unstable after assembly.	Panels or base not fully clicked into place.	Review assembly steps, especially the base panel installation. Ensure all connections are secure.
Water inside storage compartment.	Lid not fully closed or product exposed to extreme driving rain/wind.	Ensure the lid is always fully closed. For extreme weather, consider placing the table in a more sheltered location or using an additional protective cover.
