Product

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your OKD Farmhouse TV Stand, Model BDC66TC-RBW. Please read this manual thoroughly before beginning assembly or use to ensure proper setup and safe operation.

Image 1.1: The OKD Farmhouse TV Stand, Model BDC66TC-RBW, designed to accommodate TVs up to 75 inches.

2. SAFETY INFORMATION

Please adhere to the following safety guidelines to prevent injury or damage to the product:

- Follow the assembly instructions carefully.
- Keep the TV stand away from sharp objects.
- Handle all components with care during assembly and storage.
- Ensure the TV stand is placed on a stable, level surface to prevent tipping.
- Do not overload the shelves or tabletop beyond the specified weight capacities.
- Keep children and pets away from the assembly area.

For any quality issues, contact the manufacturer directly.

3. PRODUCT FEATURES

The OKD Farmhouse TV Stand is designed with several key features for functionality and durability:

- **Sliding Barn Doors:** Provides easy access to storage compartments via a smooth metal track. The

doors feature a distinctive barn-door pattern on both the front and sides.

- **Sturdy Construction:** Features a 3-1/3 inch high wooden support base and a 1-inch thick tabletop. The entire unit is covered with high-level 3D woodgrain paper, including back panels, designed for durability and resistance to peeling or fading, mimicking the look of oak wood.
- **Adjustable Shelves:** Interior shelves are adjustable to accommodate various item sizes, allowing for flexible storage solutions.
- **Cable Management:** Equipped with two cable management holes behind the doors to help organize and conceal wires, maintaining a tidy appearance.
- **Dimensions:** Measures 66 inches (W) x 16 inches (D) x 25 inches (H), suitable for televisions up to 75 inches.

4. ASSEMBLY INSTRUCTIONS

Your OKD Farmhouse TV Stand requires assembly. All necessary parts, hardware kits, and a detailed installation guide are included in the package.

1. **Unpack Components:** Carefully unpack all parts and hardware. Verify that all items listed in the

included parts list are present and undamaged.

2. **Review Instructions:** Read the entire installation guide before beginning assembly. Familiarize yourself with each step and the required hardware.
3. **Prepare Workspace:** Choose a clear, flat, and spacious area for assembly. Lay down a blanket or cardboard to protect the floor and furniture components from scratches.
4. **Assemble Frame:** Follow the step-by-step instructions to assemble the main frame of the TV stand. Ensure all connections are secure but do not overtighten screws until instructed.
5. **Install Shelves:** Insert the adjustable shelves into the desired positions.
6. **Attach Sliding Doors:** Mount the sliding barn doors onto the metal track as per the instructions. Ensure they slide smoothly.
7. **Final Tightening:** Once all components are in place, carefully tighten all screws and fasteners.

Assembly typically takes 1.5 to 2 hours with 1-2 people. The packaging includes protection boards to prevent damage during transit.

5. OPERATION

5.1. Sliding Barn Doors

The TV stand features two sliding barn doors that move along a metal track. To open or close a compartment, gently slide the door along the track using the handle. The doors are designed for smooth operation, allowing you to conceal or reveal storage areas as needed.

5.2. Adjustable Shelves

The interior shelves can be adjusted to different heights. To adjust a shelf, remove any items, lift the shelf, and reposition the shelf pegs into the desired holes. Ensure the shelf is level and securely seated on all four pegs before placing items on it.

5.3. Cable Management

Utilize the cable management holes located on the back panel of the stand to route and organize power cords and media cables. This helps to keep wires tidy and out of sight, contributing to a cleaner entertainment area.

Video 5.1: This video demonstrates the sliding barn doors and cable management features, generally applicable to OKD TV stands.

6. MAINTENANCE

To maintain the appearance and longevity of your TV stand:

- **Cleaning:** Wipe the surfaces with a dry, soft cloth. Avoid using abrasive cleaners or harsh chemicals, as these can damage the woodgrain finish.
- **Spills:** Immediately wipe up any spills with a dry cloth to prevent water damage or staining.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of the finish.
- **Heat and Moisture:** Keep the TV stand away from excessive heat sources and high humidity to prevent warping or damage to the engineered wood.

7. TROUBLESHOOTING

If you encounter any issues with your TV stand, refer to the following common solutions:

Problem	Possible Cause	Solution
Doors do not slide smoothly.	Track obstruction or misaligned doors.	Check the metal track for debris. Ensure doors are properly seated on the track and aligned according to assembly instructions.
Stand feels wobbly.	Loose fasteners or uneven floor.	Verify all screws and fasteners are tightened. Ensure the stand is on a level surface; use shims if necessary.
Missing parts during assembly.	Packaging error.	Contact OKD customer support with your purchase details and the specific missing parts.
