1. PRODUCT OVERVIEW

The Amazon Basics Dry Sweeping Cloths are designed for effective dry cleaning of various floor surfaces. These quilted cloths are engineered to efficiently trap and lock in dust, dirt, and pet hair, providing a clean and tidy environment. They are compatible with most standard floor sweeping systems, including Swiffer Sweeper Mop Heads.

Image Description: A green and white box of Amazon Basics Dry Floor Cloths, indicating a count of 64 cloths and dimensions of 10.4 x 8.0 inches. The packaging highlights its ability to trap dust, dirt, and pet hair, and its compatibility with Swiffer Sweeper Mop Heads.

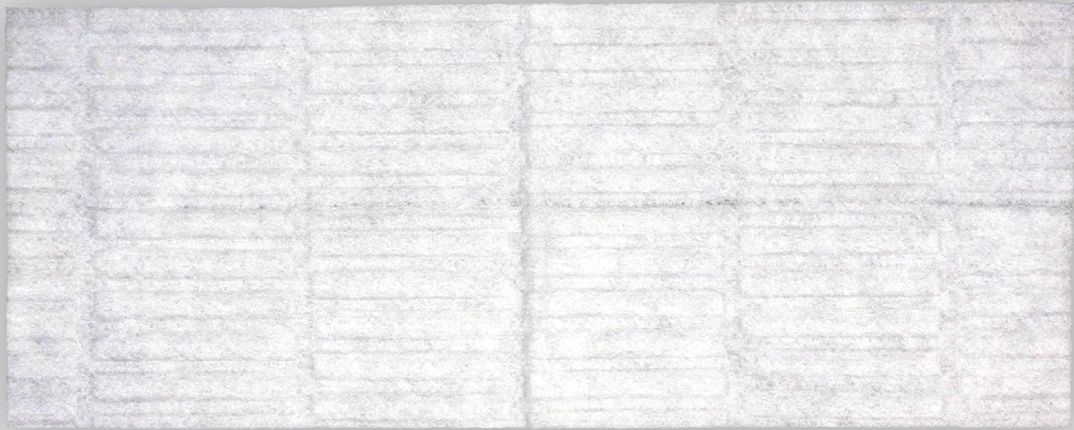

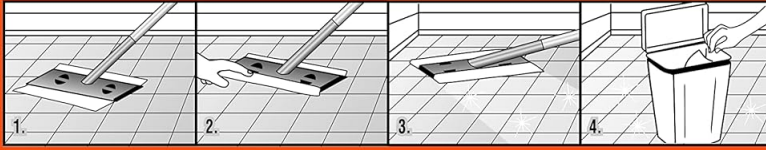

Image Description: An overhead view of a single, unfolded Amazon Basics dry sweeping cloth, showcasing its quilted texture. Below the cloth, a prominent orange circle with "64 CLOTHS" indicates the quantity in the pack.

2. SETUP INSTRUCTIONS

Follow these steps to properly prepare your Amazon Basics Dry Sweeping Cloth for use with a compatible mop head:

1. Remove one folded dry sweeping cloth from its packaging.
2. Unfold the cloth completely.
3. Place the mop head in the center of the unfolded cloth.
4. Wrap the cloth around the mop head and tuck the ends into the gripper holes or designated slots on the mop head to secure it firmly.

To Use With Mop

1. Remove one folded cloth from box.
2. Unfold cloth and place sweeper head in center.
3. Wrap cloth around the sweeper head and tuck ends into gripper holes.
4. Wipe floor with cloth.
5. Use dry - do not spray or add liquid.
6. Cloth can be used on both sides.
7. Remove cloth from sweeper head and discard in trash. Do not flush.

Do Not Flush

CAUTION: Do not use on wet surfaces. Do not add spray or liquid to the cloth – use dry.

STORAGE INSTRUCTIONS: Store in a cool, dry location.

AVOID ACCIDENTS: Keep out of reach of children and pets to avoid accidental ingestion. In case of eye contact or prolonged exposure to skin, flush with water to reduce irritation. If irritation persists, call a physician.

Image Description: A visual guide illustrating the four steps for attaching the dry sweeping cloth to a mop: 1. Remove cloth from box, 2. Unfold and place mop head, 3. Wrap and tuck ends, 4. Dispose in trash. A prominent "Do Not Flush" symbol is also displayed.

3. OPERATING INSTRUCTIONS

Once the dry sweeping cloth is securely attached to your mop head, you can begin sweeping:

- Gently glide the mop across the floor surface to collect dust, dirt, and pet hair.
- The quilted texture of the cloth is designed to effectively pick up debris.
- The cloth can be used on both sides for extended cleaning.
- **Important:** Use the cloths dry. Do not spray or add liquid to the cloth.

“Alexa, reorder Amazon Basics Dry Floor Cloths.”

Image Description: A green-handled mop with an attached Amazon Basics dry sweeping cloth is shown actively cleaning a light-colored, wood-patterned floor, demonstrating its use in a typical home setting.

4. MAINTENANCE AND DISPOSAL

After use, remove the soiled cloth from the mop head and dispose of it properly.

- Place used cloths directly into a trash receptacle.
- **DO NOT FLUSH:** These cloths are not designed to be flushed down toilets. Disposing of them in plumbing systems can cause blockages and damage.

Storage Instructions: Store unused cloths in a cool, dry location to maintain their effectiveness.

5. TROUBLESHOOTING AND SAFETY INFORMATION

To ensure safe and effective use of your dry sweeping cloths, please observe the following:

Issue/Concern	Guidance
Cloth not picking up dirt effectively.	Ensure the cloth is dry. These cloths are designed for dry sweeping only. Replace with a fresh cloth if heavily soiled.

Issue/Concern	Guidance
Cloth tearing or not staying on mop head.	Ensure the cloth is properly wrapped and tucked into the mop head's grippers. Avoid excessive force during sweeping.
Accidental ingestion or skin irritation.	AVOID ACCIDENTS: Keep out of reach of children and pets to avoid accidental ingestion. In case of eye contact or prolonged exposure to skin, flush with water to reduce irritation. If irritation persists, consult a physician.
Using on wet surfaces.	CAUTION: Do not use on wet surfaces. These are dry sweeping cloths.
