Assembly and Installation

The Paladone Mini Basketball Hoop requires minimal assembly. The rim and backboard are pre-assembled. You will need to attach the net and prepare the basketballs.

- 1. Attach the Net:** Carefully loop the net onto the hooks around the rim until it is securely fastened.
- 2. Inflate Basketballs:** Use the provided mini hand pump to inflate the three mini basketballs. Insert the needle into the ball's air valve and pump until the ball is firm but not overinflated.
- 3. Install Hanging Hook:** The hanging hook is designed to fit over most standard doors, cubicle walls, or other suitable ledges. Simply place the hook over the top edge of your chosen surface.
- 4. Hang the Hoop:** Align the backboard with the hanging hook and slide it into place. Ensure the hoop is stable and securely mounted before use.

OPERATING INSTRUCTIONS

Once set up, your Paladone Mini Basketball Hoop is ready for play. This hoop is designed for indoor use and is highly portable, making it suitable for various locations.

- **Playing:** Use the provided mini basketballs to shoot hoops. The hoop is designed for light play and is not intended for dunking or hanging from the rim.
- **Portability:** The hoop features a foldable rim for easy storage and transport. When not in use, the rim can be folded upwards against the backboard. This allows you to take your basketball practice anywhere, from home to the office or dorm.
- **Recommended Use:** Ideal for individual practice, friendly competitions, or simply as a fun decorative item for any Space Jam fan.

MAINTENANCE AND CARE

To ensure the longevity and optimal performance of your mini basketball hoop, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the backboard and rim with a soft, damp cloth. Avoid using abrasive cleaners or solvents, as they may damage the graphics or material.
- **Ball Care:** Keep the mini basketballs clean and properly inflated. If a ball loses air, use the provided pump to re-inflate it. Store balls away from sharp objects to prevent punctures.
- **Storage:** When not in use, fold the rim for compact storage. Store the hoop and accessories in a dry place, away from direct sunlight or extreme temperatures.
- **Inspection:** Periodically check the net, rim, and hanging hook for any signs of wear or damage. Replace components if necessary to ensure safe play.

TROUBLESHOOTING

If you encounter any issues with your Paladone Mini Basketball Hoop, please refer to the following common solutions:

- **Basketballs losing air:** Ensure the pump needle is fully inserted into the valve and that the valve itself is not damaged. Re-inflate the balls as needed.
- **Hoop not stable on door:** Verify that the hanging hook is fully seated over the door or surface. Ensure the door is closed securely and that there is no obstruction preventing a firm fit.
- **Net detaching from rim:** Re-attach the net by carefully looping it onto all the hooks around the rim. Ensure each loop is secure.

If problems persist, please refer to the Customer Support section.
