2. SETUP AND FIRST USE

Before using your Mystic Romance Love Scent, ensure your diffuser is clean and ready for operation. This aroma oil is designed for use with cold-air or ultrasonic diffusers.

General Setup Steps:

1. **Unpack:** Carefully remove the aroma oil bottle from its packaging.
2. **Prepare Diffuser:** Refer to your diffuser's instruction manual for specific setup procedures. Ensure the diffuser's reservoir or oil chamber is clean and dry.
3. **Add Aroma Oil:** Open the Mystic Romance Love Scent bottle. Carefully pour the recommended amount of aroma oil into your diffuser's designated oil chamber. The amount may vary based on your diffuser model and desired scent intensity.
4. **Secure:** Close the diffuser's oil chamber securely.

5. **Power On:** Connect your diffuser to a power source and turn it on according to its operating instructions.

3. OPERATING INSTRUCTIONS

Once the aroma oil is added to your diffuser, you can begin enjoying the Mystic Romance Love Scent. Always refer to your specific diffuser's manual for detailed operating instructions.

Using with Cold-Air Diffusers:

- Ensure the oil bottle is securely connected to the diffuser's nebulizing mechanism.
- Adjust the intensity settings on your cold-air diffuser to control the fragrance output.
- Set the timer function if available to control diffusion duration.

Using with Ultrasonic Diffusers:

- Fill the water reservoir of your ultrasonic diffuser to the indicated fill line.
- Add a few drops of Mystic Romance Love Scent directly into the water. Start with 5-10 drops and adjust according to your preference.
- Close the diffuser lid and turn on the device.
- Utilize any mist mode or timer settings available on your diffuser.

4. CARE AND MAINTENANCE

Proper care and maintenance will ensure the longevity and effectiveness of your Mystic Romance Love Scent and your diffuser.

Storage:

- Store the aroma oil bottle in a cool, dark place away from direct sunlight and heat.
- Ensure the cap is tightly sealed to prevent evaporation and maintain fragrance integrity.
- Keep out of reach of children and pets.

Cleaning Diffuser (General Advice):

- Regularly clean your diffuser according to its manufacturer's instructions to prevent oil buildup and ensure optimal performance.
- For most diffusers, this involves emptying any remaining oil/water, wiping the reservoir with a soft cloth, and occasionally using a cotton swab with rubbing alcohol for hard-to-reach areas.
- Do not submerge the electrical components of your diffuser in water.

5. TROUBLESHOOTING

If you encounter issues while using your Mystic Romance Love Scent, consider the following common solutions:

Problem	Possible Cause	Solution
No scent or weak scent	Insufficient oil; diffuser clogged; old oil; diffuser not running.	Add more oil; clean diffuser thoroughly; replace old oil; ensure diffuser is powered on and operating.
Diffuser not producing mist (ultrasonic)	Low water level; dirty ultrasonic plate; fan obstruction.	Refill water; clean ultrasonic plate with a cotton swab; check for obstructions.
Oil leaking from bottle	Cap not tightened; bottle damaged.	Ensure cap is securely tightened; if bottle is damaged, discontinue use and dispose of safely.
