Maintenance

- **Cleaning Makeup:** All makeup in this set is washable. To remove makeup from skin, use mild soap and water. For clothing, pre-treat stains and wash as usual.
- **Cleaning Brushes and Sponges:** Regularly wash makeup brushes and sponges with mild soap and water. Rinse thoroughly and allow them to air dry completely before storing.
- **Storage:** Always store all makeup items and tools back in the cosmetic case after use. This protects the items from dust and damage and keeps the set organized. Store in a cool, dry place away from direct sunlight.
- **Case Care:** Wipe the cosmetic case with a damp cloth as needed to keep it clean.

Troubleshooting

If you encounter any issues with your FAO Schwarz Ultimate Makeup Artist Set, consider the following:

- **Makeup Not Applying Smoothly:** Ensure skin is clean and dry. If makeup appears dry, it may be due to storage conditions; try warming it slightly with your hands before application.
- **Difficulty Sharpening Pencils:** Ensure the sharpener is clean. If the pencil tip breaks frequently, try rotating the pencil gently while sharpening.
- **Stains on Clothing:** As the makeup is washable, most stains should come out with standard laundry practices. For stubborn stains, pre-treat with a stain remover before washing.
- **Allergic Reaction:** Discontinue use immediately if any irritation or allergic reaction occurs. Consult a medical professional if symptoms persist.
