Fila Disruptor II Big Kids Sneaker Instruction Manual

Model: 3FM00649 014

INTRODUCTION

Thank you for choosing the Fila Disruptor II Big Kids Sneaker. This manual provides essential information for the proper setup, use, and maintenance of your new footwear. Please read these instructions carefully to ensure optimal performance and longevity of the product.

PRODUCT OVERVIEW

The Fila Disruptor II is a durable and stylish sneaker designed for active children. It features a robust synthetic and rubber construction, providing comfort and support for various activities.

SETUP

1. Initial Fitting

- Ensure the sneaker fits comfortably without being too tight or too loose. There should be a small space (about a thumb's width) between the longest toe and the end of the shoe.
- Check for any pressure points or rubbing, especially around the heel and sides of the foot.

2. Lacing

- Lace the sneakers securely to provide adequate foot support. Avoid overtightening, which can restrict circulation.
- Double-knot laces to prevent them from coming undone during activity, reducing the risk of tripping.

OPERATING (WEARING INSTRUCTIONS)

- These sneakers are designed for everyday wear, walking, and light athletic activities.
- Always wear appropriate socks to enhance comfort and prevent friction.
- Avoid using these sneakers for specialized sports that require specific footwear, such as cleats for soccer or specialized running shoes for marathons.

MAINTENANCE

1. Cleaning

- **Surface Cleaning:** For dirt and scuffs on the synthetic upper and rubber sole, use a soft brush or cloth dampened with mild soap and water. Gently scrub the affected areas.
- **Stubborn Stains:** For more persistent stains, a specialized sneaker cleaner can be used. Always test on an inconspicuous area first.
- **Drying:** Allow sneakers to air dry completely at room temperature. Avoid direct sunlight or heat sources, as this can damage materials.
- **Do NOT Machine Wash:** Machine washing can damage the structure and materials of the sneakers.

2. Storage

- Store sneakers in a cool, dry place away from direct sunlight.
- If storing for extended periods, consider using shoe trees to help maintain their shape.

TROUBLESHOOTING

Issue: Uncomfortable Fit

Solution: Re-evaluate sizing. Ensure laces are tied correctly, not too tight or too loose. Consider trying different types of socks. If discomfort persists, the shoe size may be incorrect.

Issue: Slipping Laces

Solution: Always double-knot laces. If laces are worn, consider replacing them with new ones.

Issue: Persistent Odor

Solution: Ensure sneakers are thoroughly dried after each use. Use shoe deodorizers or sprinkle baking soda inside the shoes overnight to absorb odors. Allow to air out in a well-ventilated area.

SPECIFICATIONS

Brand	Fila
Model Number	3FM00649 014
Department	Boys
Outer Material	Rubber
Sole Material	Synthetic Rubber
Fabric Type	Synthetic-and-rubber
Product Dimensions	14 x 9 x 5 inches; 3 Pounds (packaging dimensions)
First Available Date	December 7, 2018
