Ernesto Stainless Steel Mixing Bowls User Manual

Model: 3-Piece 4-In-1 Stainless Steel Mixing Bowls with Lids

Brand: Ernesto

INTRODUCTION

Thank you for choosing the Ernesto 3-Piece 4-In-1 Stainless Steel Mixing Bowls. This versatile set is designed for a variety of kitchen tasks, including food preparation, mixing, storing, and serving. Crafted from durable stainless steel with convenient plastic lids, these bowls offer a sleek, modern look while providing practical functionality for everyday use. They are lightweight, rust-free, and designed for space-saving nesting storage.

This manual provides essential information on the setup, operation, maintenance, and care of your new mixing bowl set to ensure optimal performance and longevity.

PRODUCT COMPONENTS

Your Ernesto 3-Piece Stainless Steel Mixing Bowl set includes the following components:

- One (1) Large Stainless Steel Mixing Bowl
- One (1) Medium Stainless Steel Mixing Bowl
- One (1) Small Stainless Steel Mixing Bowl
- Three (3) White Plastic Lids (one for each bowl size)

SETUP AND FIRST USE

Before using your new Ernesto mixing bowls for the first time, please follow these steps:

1. **Unpack:** Carefully remove all bowls and lids from their retail packaging.
2. **Inspect:** Check all components for any signs of damage or manufacturing defects.
3. **Wash:** Wash the bowls and lids thoroughly with warm, soapy water. Rinse them completely to remove any residue from manufacturing or packaging.

4. **Dry:** Dry all components completely with a soft cloth to prevent water spots, especially on the stainless steel.

Your bowls are now ready for use.

OPERATING INSTRUCTIONS

The Ernesto mixing bowls are designed for multi-purpose use in your kitchen. Here are common applications:

Mixing and Tossing

Use the bowls for mixing ingredients for baking, preparing salads, or tossing pasta. The various sizes accommodate different quantities.

Storing and Serving

The included plastic lids allow you to store prepared foods or leftovers directly in the bowls. The airtight seal helps keep food fresh in the refrigerator or freezer. These bowls are also elegant enough to be used for serving at the table.

- **Applying Lids:** To ensure an airtight seal, align the lid with the rim of the bowl and press down firmly around the edges until it is securely in place.
- **Removing Lids:** To remove, gently lift one edge of the lid and peel it off the bowl.

MAINTENANCE AND CARE

Proper care will extend the life and maintain the appearance of your Ernesto mixing bowls.

- **Cleaning:** Both the stainless steel bowls and the plastic lids are dishwasher safe. For best results and to prevent water spots, hand wash with warm, soapy water and dry immediately with a soft cloth.
- **Storage:** The bowls are designed to nest inside each other for compact storage, saving space in your

cabinets. Store lids separately or on top of the nested bowls.

- **Temperature:** The bowls are freezer safe and heat safe. They are **not** microwaveable.
- **Material Care:** Avoid using abrasive cleaners or scouring pads on the stainless steel, as this can scratch the surface.

TROUBLESHOOTING

Lids are difficult to put on or remove:

The lids are designed to create a tight, airtight seal to preserve food freshness. This can sometimes make them feel stiff or difficult to apply/remove initially.

- **Application:** Ensure the lid is perfectly aligned with the bowl's rim. Apply even pressure around the entire circumference of the lid, working your way around to secure it.
- **Removal:** To remove, find a small lip or tab on the lid (if present) or gently lift one edge with your thumb, then work your way around the rim to release the seal. Avoid pulling directly from the center.
- **Temperature Effect:** Plastic lids can become slightly stiffer when cold. If you are having difficulty, allow the lids to reach room temperature before attempting to apply or remove them.
