AIHOOR TWS-A2-WHT

AIHOOR A2 Wireless Earbuds User Manual

Model: TWS-A2-WHT

INTRODUCTION

This manual provides detailed instructions for the proper use and maintenance of your AIHOOR A2 Wireless Earbuds. Please read this manual thoroughly before using the product to ensure optimal performance and longevity.

PACKAGE CONTENTS

Upon opening the package, verify that all items listed below are present:

- AIHOOR A2 Earbuds (Left and Right)
- Charging Case
- 4 Pairs of Ear Tips (various sizes)
- USB Charging Cable
- User Manual (this document)

SETUP

1. Initial Charging

Before first use, it is recommended to fully charge the earbuds and charging case. Connect the provided USB charging cable to the charging case and a power source. The earbuds will charge automatically when placed inside the case. A full charge takes approximately 1.5 hours.

Note: Due to transportation safety, the earbuds may not be fully charged upon arrival. If the product does not turn on, please charge it first.

Image: The AIHOOR A2 charging case connected to a USB-C charging cable.

2. Pairing with a Device

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for "AIHOOR A2" in the list of available Bluetooth devices and select it to connect.
4. Once connected, you will hear a confirmation tone from the earbuds.

The earbuds support hassle-free pairing with iOS/Android phones, Mac, or Windows laptop/desktop PCs via Bluetooth connection.

3. Wearing the Earbuds

Select the ear tips that provide the most comfortable and secure fit for your ears. The AIHOOR A2 earbuds are designed with bionics and ergonomics to fit most ear canals, including smaller ones. A proper fit ensures optimal sound quality and comfort.

- Gently insert the earbud into your ear canal.
- Rotate the earbud slightly until it feels snug and comfortable.
- Test different ear tip sizes to find the best seal.

EXTRA BASS

Feel the true thumping bass from the music

We care about your
wearing experience

4 pairs of silicone eartips are included,
L->M->S->XS, even if your earholes are small, you can wear
them comfortably.

In the background, a silver laptop and a small potted plant are visible. In the foreground, a smartphone screen shows the AIHOOR A2 app interface with a record player graphic.

5HR PLAYTIME
~ 150 songs on a single charge

5× BATTERY EXTENSION
Case battery recharges the earbuds 5 times

USB-C CHARGING
Rapid fully charged within 1.5 hour

Image: Visual guide to the touch controls on the AIHOOR A2 earbuds.

2. Mono and Twin Use

The AIHOOR A2 earbuds support both unilateral (mono) and twin (stereo) use. Either earbud can be used independently. There is no distinction between a master and slave headset, allowing for flexible usage.

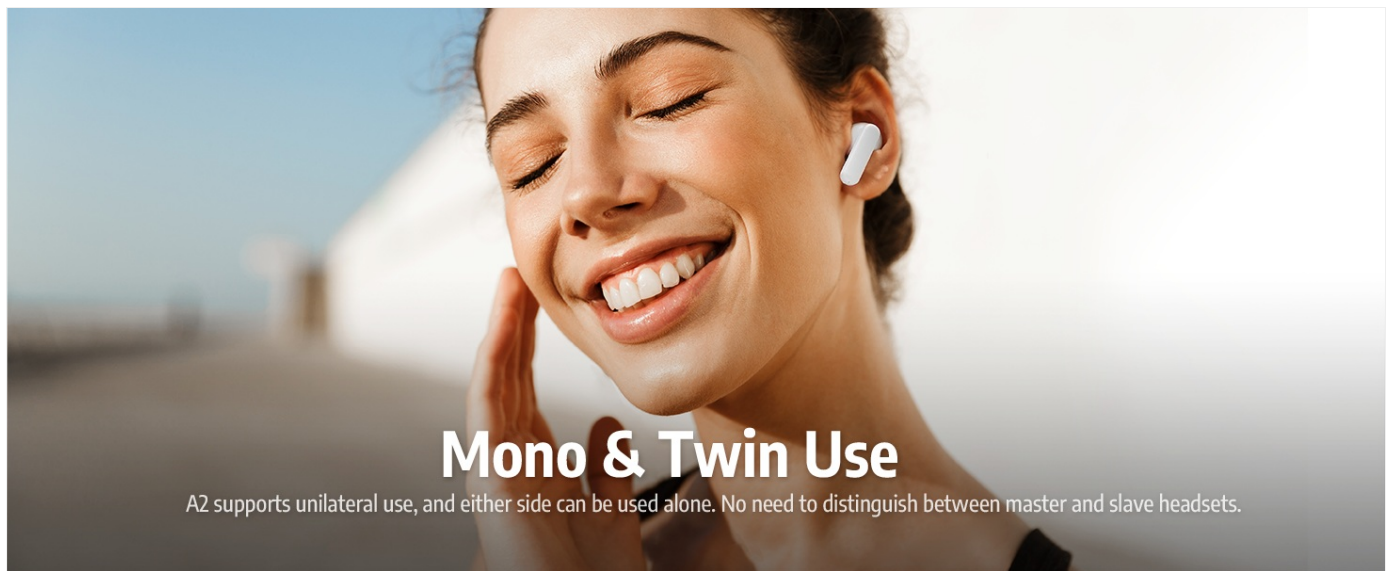

Image: A woman using a single AIHOOR A2 earbud, illustrating mono use capability.

3. Battery Life

Each earbud provides approximately 5 hours of music playback on a single charge. The charging case extends the total playtime by an additional 25 hours, allowing for multiple recharges on the go. The charging case can fully recharge the earbuds up to 5 times.

MAINTENANCE

1. Cleaning

Regular cleaning helps maintain sound quality and hygiene. Use a soft, dry, lint-free cloth to wipe the earbuds and charging case. For ear tips, they can be removed and gently cleaned with a damp cloth and mild soap, then thoroughly dried before reattaching. Avoid using harsh chemicals or abrasive materials.

The earbuds feature IPX4 waterproof and sweat-proof protection, safeguarding them from liquid splashes. However, they are not designed for submersion.

Water & Sweat Proof Protection

IPX4 waterproof

The IPX4 waterproof and sweat-proof design will protect the wireless earphones from liquid splashes.

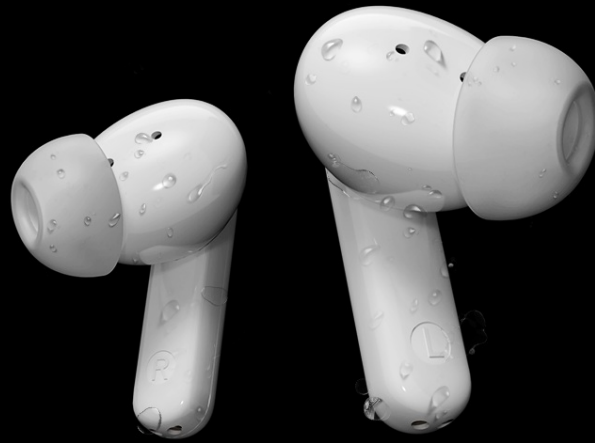

Image: AIHOOR A2 earbuds with water droplets, illustrating their IPX4 water and sweat-proof protection.

2. Storage

When not in use, store the earbuds in their charging case to protect them from dust, damage, and to keep them charged. Store the case in a cool, dry place away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

1. Earbuds Not Turning On or Charging

- Ensure the charging case has sufficient power.
- Place the earbuds correctly into the charging case.
- Connect the charging case to a power source using the USB-C cable.
- If the issue persists, contact customer support for assistance.

2. Pairing Issues

- Ensure Bluetooth is enabled on your device.
- Make sure the earbuds are in pairing mode (open the case).
- Try forgetting "AIHOOR A2" from your device's Bluetooth list and re-pairing.
- Ensure the earbuds are within the effective Bluetooth range of your device.

3. Sound Issues (No Sound, Low Volume, Disconnections)

- Check the volume levels on both your device and the earbuds.
- Ensure the earbuds are properly seated in your ears for a good seal.
- Re-pair the earbuds with your device.
- Move closer to your device to avoid interference.
- Reset the earbuds as described below.

4. Resetting the Earbuds

If you experience persistent issues, performing a factory reset may resolve them:

1. Place both earbuds back into the charging case.
2. Close the charging case and wait a few seconds.
3. Open the case and remove the earbuds.

- 4. Quickly tap the touch panel on each earbud 7 times. You may need to tap quickly.
- 5. If the reset is successful, the earbuds will re-enter pairing mode.
- 6. Re-pair the earbuds with your device.

WARRANTY AND SUPPORT

AIHOOR products come with a 1-Year Manufacturer's Warranty. Warranty terms may vary based on product usage, purchase location, and seller. Please review the warranty details carefully. For any questions or to extend your warranty for free, register your product on the official AIHOOR website.

If you encounter any issues with your product, please contact the seller or AIHOOR customer support for assistance, replacement, or refund.

IMPORTANT SAFETY INFORMATION

Always use the product responsibly. Avoid listening at high volumes for extended periods to prevent hearing damage. Keep the product away from children and pets. Do not attempt to disassemble or modify the earbuds or charging case, as this may void the warranty and cause damage.

ASK A QUESTION ABOUT THIS MANUAL
