# HOOBRO 3-Piece Bar Table Set Instruction Manual

Model: BF54BT01 | Brand: HOOBRO

## INTRODUCTION

Thank you for choosing the HOOBRO 3-Piece Bar Table Set. This manual provides comprehensive instructions to ensure safe assembly, proper use, and effective maintenance of your new furniture. Please read this manual thoroughly before beginning assembly and keep it for future reference.

## IMPORTANT SAFETY INSTRUCTIONS

- Always assemble the product on a clean, flat, and soft surface to prevent scratches.
- Ensure all parts are present and undamaged before assembly. If any parts are missing or damaged, contact customer support immediately.
- Do not overtighten screws during assembly, as this may damage the threads or components. Tighten all screws firmly once assembly is complete.
- Keep small parts and packaging materials away from children and pets to prevent choking hazards.
- Do not stand on the table or stools. The stools are designed for seating one person at a time.
- Distribute weight evenly on the table surface. Avoid placing excessively heavy items on one side.
- Regularly check all connections and tighten them if necessary to maintain stability.
- Avoid exposing the product to direct sunlight or extreme temperatures and humidity.

## ASSEMBLY INSTRUCTIONS

Before you begin, ensure you have enough space and all parts are laid out. It is recommended to assemble this product with two people.

### Tools Required:

- Included Allen Wrench
- Phillips Head Screwdriver (not included, optional for some screws)

### Step-by-Step Assembly:

- 1. Step 1: Assemble the Bar Table Frame**

Identify the long metal legs and crossbars for the table. Attach the crossbars to the legs using the provided screws and the Allen wrench. Do not fully tighten the screws yet.

**2. Step 2: Attach the Tabletop**

Carefully place the bar tabletop onto the assembled frame, aligning the pre-drilled holes. Secure the tabletop to the frame using the appropriate screws. Now, fully tighten all screws on the table frame and tabletop.

**3. Step 3: Assemble the Bar Stool Frames**

For each stool, connect the four metal legs to the square base and top supports using screws. Ensure the footrests are correctly oriented. Do not fully tighten the screws yet.

**4. Step 4: Attach the Stool Seats**

Place each stool seat onto its respective frame, aligning the pre-drilled holes. Secure the seats to the frames using screws. Once the seats are attached, fully tighten all screws on both stool frames and seats.

**5. Step 5: Adjust Leveling Feet**

The table and stools are equipped with adjustable feet. If your floor is uneven, rotate the leveling feet at the bottom of the legs until the furniture is stable and does not wobble.

## OPERATING AND USAGE

---

Your HOOBRO Bar Table Set is designed for versatile use in various living spaces. Here are some key features and usage tips:

- **Space-Saving Design:** The stools are designed to hang neatly under the bar table when not in use, maximizing your floor space. This is ideal for smaller apartments or rooms.

## SPACE-SAVING

## MAINTENANCE AND CARE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or damage to the tabletop.
- **Heat and Moisture:** Use coasters for hot beverages and placemats for plates to protect the tabletop from heat and moisture damage.
- **Regular Checks:** Periodically check all screws and bolts to ensure they remain tight. Retighten if necessary to maintain structural integrity.
- **Placement:** Avoid placing the furniture in direct sunlight or near heat sources, which can cause fading or warping.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

<b>Problem</b>	<b>Possible Cause</b>	<b>Solution</b>
Table/Stool wobbles	Uneven floor; loose screws.	Adjust the leveling feet at the bottom of the legs. Tighten all assembly screws.
Difficulty aligning holes during assembly	Screws overtightened prematurely; incorrect orientation of parts.	Loosen all screws slightly, align parts, then tighten all screws evenly. Refer to assembly diagrams for correct part orientation.
Missing or damaged parts	Packaging error; shipping damage.	Do not proceed with assembly. Contact HOOBRO customer support with your purchase details.
