# FOCHEW Portable Charger 20000mAh Power Bank Instruction Manual

Model: HX120S2 | Brand: FOCHEW

## INTRODUCTION

---

Welcome to your FOCHEW Portable Charger 20000mAh Power Bank. This ultra-slim, fast-charging external battery pack is designed to keep your devices powered on the go. With dual USB outputs, it can charge multiple devices simultaneously, including iPhones, Samsung phones, Android devices, and more. This manual provides essential information for setup, operation, maintenance, and troubleshooting to ensure optimal performance and longevity of your power bank.

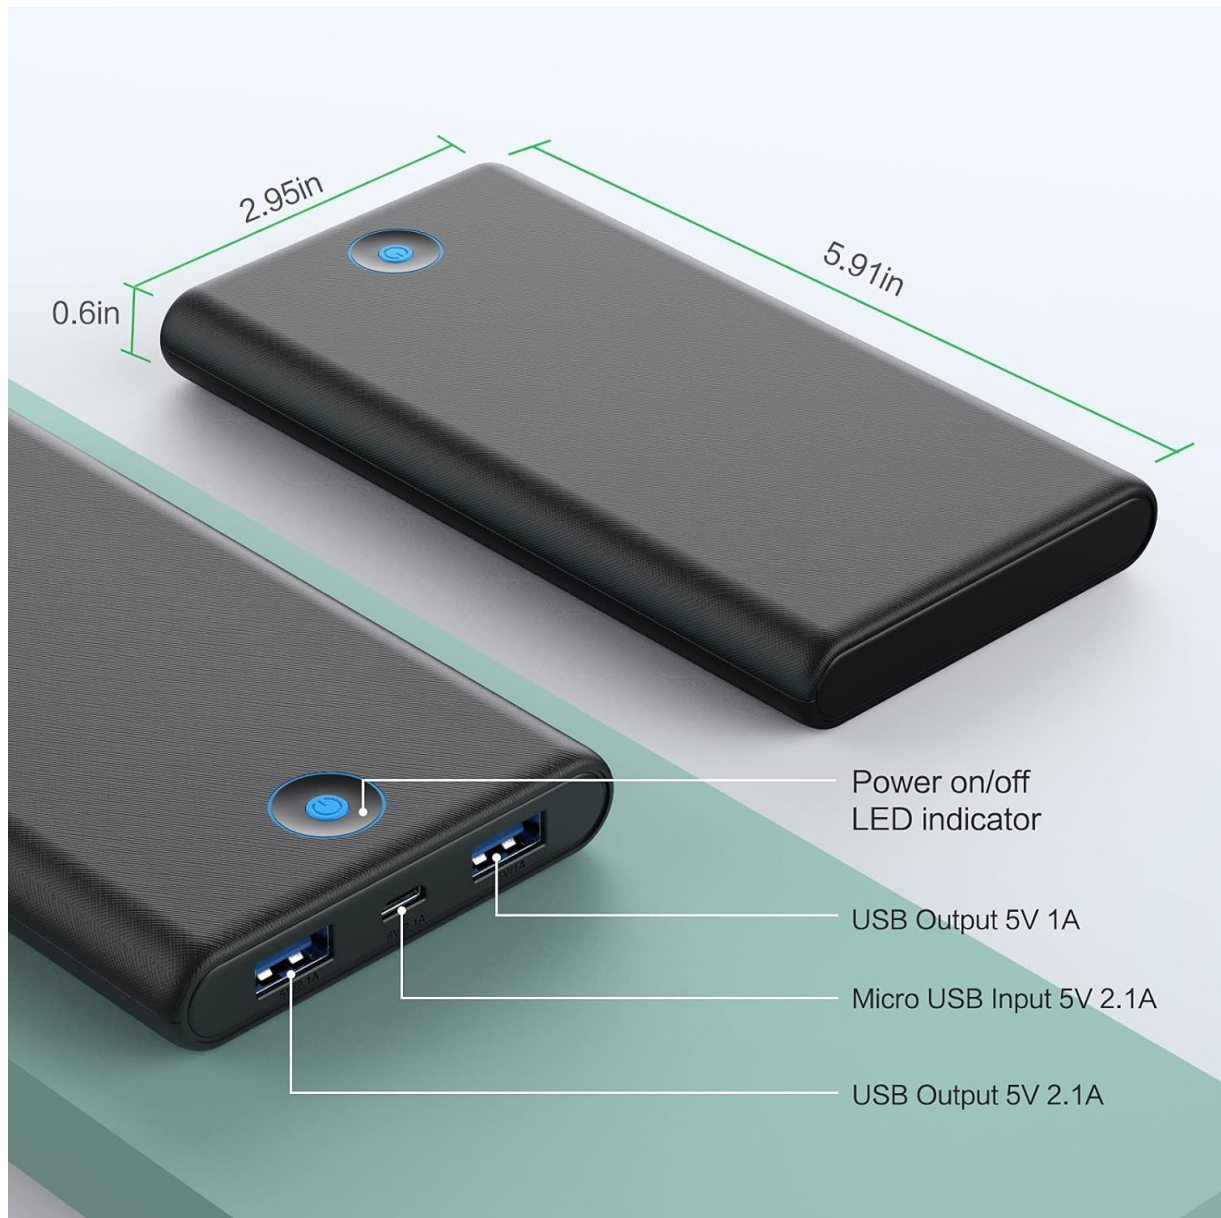

The FOCHWE 20000mAh Portable Power Bank features a compact and lightweight design, making it easy to carry for all your charging needs.

## SETUP

---

### Charging the Power Bank

Before first use, fully charge your power bank. Use the included Micro USB cable to connect the power bank to a compatible USB power adapter (not included). The LED indicator will show the charging status.

Identify the Micro USB Input port (5V 2.1A) on your power bank for charging. The device also features two USB Output ports (5V 1A and 5V 2.1A) for charging external devices.

## LED Indicator Status

The power bank features a unique LED indicator that changes color to show the remaining battery level:

- **Red light:** 0% - 25% remaining power
- **Green light:** 26% - 50% remaining power
- **Blue light:** 51% - 75% remaining power
- **White light:** 76% - 100% remaining power

## COLOR LED INDICATOR

Electricity changes show different colors

The intuitive LED indicator provides a quick visual reference of the power bank's charge level, changing colors from red (low) to white (full).

This video demonstrates the Micro USB input port for charging the power bank and shows the LED indicator in action, highlighting its functionality.

### OPERATING INSTRUCTIONS

---

#### Charging Your Devices

To charge your mobile devices, connect them to the power bank's USB output ports using their respective charging cables. The power bank supports dual device charging simultaneously.

# 20000mAh Fast Charging

iPhone 12

4.2 charges

Galaxy S9

4.6 charges

HUAWEI P30

4.3 charges

iPad mini

2.7 charges

The 20000mAh capacity allows for multiple charges of various smartphones and tablets, providing extended power for your devices.

## Fast Charging Capability

The power bank is equipped with fast charging technology (2.1A output) to quickly power up your devices.

# 2.1A Fast Charge

Overcurrent  
Protection

Overvoltage  
Protection

Overdischarge  
Protection

Short-Circuit  
Protection

Benefit from 2.1A fast charging, ensuring your devices are powered efficiently and safely with built-in multi-protection features.

This comprehensive video review demonstrates the FOCHWE power bank's features, including its charging capabilities and ease of use for various devices.

## MAINTENANCE

---

- Keep the power bank away from extreme temperatures (hot or cold) and direct sunlight.
- Avoid dropping or subjecting the power bank to strong impacts.
- Clean the surface with a soft, dry cloth. Do not use harsh chemicals or abrasive materials.
- Store in a cool, dry place when not in use for extended periods.

## TROUBLESHOOTING

---

Issue	Possible Solution
-------	-------------------

Issue	Possible Solution
Power bank not charging.	Ensure the Micro USB cable is securely connected to both the power bank's input port and the power adapter. Try a different cable or adapter. Check the LED indicator for status.
Devices not charging or charging slowly.	Ensure the power bank is sufficiently charged (check LED indicator). Use original or certified charging cables for your devices. Try a different USB output port on the power bank.
LED indicator not lighting up.	Press the power button once to activate the indicator. If still unresponsive, the power bank might be completely depleted and requires charging.

## SPECIFICATIONS

Feature	Detail
Model Number	HX120S2
Battery Capacity	20000 Milliamp Hours (mAh)
Product Dimensions	5.91 x 2.95 x 0.59 inches
Item Weight	8.8 ounces
Connector Type	Micro USB (Input)
Output Ports	Dual USB Outputs (5V 1A, 5V 2.1A)
Special Features	Fast Charging, Portable, LED Indicator, Safety Protections (Over-voltage, Over-charging, Over-current, Short-circuit)
Battery Type	Lithium Polymer

## WARRANTY AND SUPPORT

Your FOCHEW Portable Charger comes with a standard manufacturer's warranty. For detailed warranty information, product support, or technical assistance, please refer to the official user manual or contact FOCHEW customer service.
