Sadocom Tampon Disposal Bags Instruction Manual

Model: B094G2L6YR

Introduction

Thank you for choosing Sadocom Tampon Disposal Bags. These bags are designed to provide a discreet and hygienic solution for the disposal of feminine hygiene products. Made from thick, opaque PE material, they feature a sealable zipper to prevent leaks and odors, making them ideal for use at home, during travel, or in public spaces.

Safety Information

- Keep these bags out of reach of children and pets to prevent accidental ingestion or misuse.
- These bags are intended for the disposal of feminine hygiene products only. Do not use for food storage or other purposes.
- Dispose of used bags in appropriate waste receptacles according to local regulations.
- Avoid contact with sharp objects that could puncture the bag and compromise its integrity.

Product Overview

The Sadocom Tampon Disposal Bags are black, opaque bags designed for discreet disposal. Each bag measures approximately 10 x 15 cm (4 x 6 inches) and is equipped with a sealable zipper closure. They are made from thick PE material to ensure durability and odor containment.

Setup

No assembly or complex setup is required for these disposal bags. Simply remove a bag from the pack when needed.

Operating Instructions

1. **Open the Bag:** Gently separate the top edges of the bag to open the sealable zipper.
2. **Insert Item:** Place the used feminine hygiene product (tampon, pad, etc.) inside the bag.
3. **Seal the Bag:** Press the zipper closure firmly across the top to create a secure, odor-proof seal.
4. **Dispose:** Discard the sealed bag into a trash can. The opaque design ensures privacy, and the seal prevents odors.

Maintenance

These disposal bags are designed for single use and do not require maintenance. Once used, they should be sealed and discarded.

Troubleshooting

- **Issue: Bags are difficult to open.**
Solution: The bags are designed with a tight seal for odor prevention. Gently pinch the top edges of the bag and pull apart to initiate the opening. Using fingernails can assist in separating the zipper tracks.
- **Issue: Bags seem too small for certain items.**
Solution: The bags are sized at 10 x 15 cm (4 x 6 inches) for discreet and portable use. For larger items, it

may be necessary to fold the item before placing it into the bag.

- **Issue: Quantity discrepancy in the pack.**

Solution: While machine-counted, minor variations can occur. If the number of bags received is significantly less than advertised, please contact customer support for assistance.
