2. Setup and First Use

The Garnier Bright Complete Vitamin C Face Wash is ready for use directly from the tube. No prior assembly or complex setup is required.

Preparation:

1. Ensure your hands are clean before handling the product.
2. Remove the cap from the tube.

3. Operating Instructions

For optimal results, follow these steps for daily cleansing:

1. **Wet Face:** Gently wet your face with water.
2. **Apply Product:** Squeeze a small amount of the face wash onto your palm.
3. **Lather:** Work the product into a rich lather using a small amount of water.
4. **Massage:** Gently massage the lather onto your wet face in circular motions, avoiding the eye area.
5. **Rinse:** Rinse thoroughly with clean water until all product is removed.
6. **Pat Dry:** Gently pat your face dry with a soft towel.

For enhanced brightening, it is recommended to follow with Garnier Vitamin C serum and day cream.

5. Troubleshooting

If you encounter any issues while using the Garnier Bright Complete Vitamin C Face Wash, consider the following:

Issue	Possible Cause / Solution
Skin feels dry or tight after use	Ensure you are not over-cleansing or using excessively hot water. Follow immediately with a moisturizer suitable for your skin type. Reduce frequency of use if dryness persists.

Issue	Possible Cause / Solution
No visible brightening effect	Consistent daily use is key for visible results. Pair with other Garnier Bright Complete products, such as the Vitamin C serum and day cream, as recommended for enhanced effects. Results may vary based on individual skin type and condition.
Mild irritation or redness	Discontinue use if irritation persists. Perform a patch test on a small area of skin before full facial application if you have sensitive skin. Consult a dermatologist if symptoms are severe or do not subside.
