Sukeen 10 Pack Cooling Towels (40"x12")

Sukeen 10 Pack Cooling Towels (40"x12") Instruction Manual

Model: 10 Pack Cooling Towels (40"x12")

INTRODUCTION

Thank you for choosing Sukeen Cooling Towels. These microfiber towels are designed to provide instant and long-lasting cooling relief, making them ideal for various activities and hot environments. Made from high-quality, chemical-free materials, they are soft, breathable, and highly absorbent. This manual will guide you through the proper use and care of your cooling towels to ensure optimal performance and durability.

SETUP AND FIRST USE

To activate the cooling effect of your Sukeen towel, follow these simple steps:

1. **Soak It:** Thoroughly soak the towel in water. Cold water is recommended for an enhanced cooling effect.
2. **Wring It:** Gently wring out the excess water until the towel is damp but not dripping.
3. **Shake It:** Hold the towel by its ends and snap or shake it vigorously 3-5 times. This action activates the cooling technology within the fabric.
4. **Wear It:** Place the activated towel around your neck, on your head, or any other pulse points for immediate cooling relief.

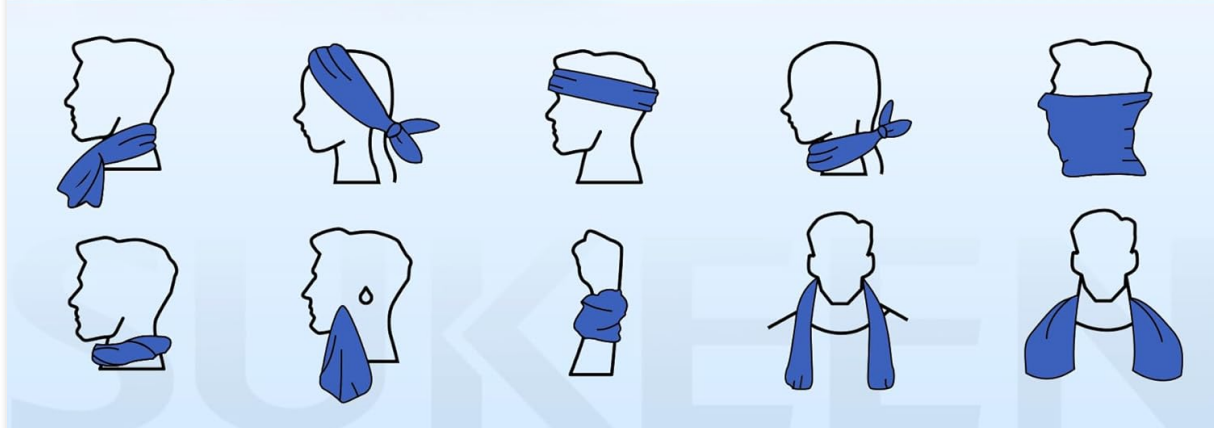

Figure 1: Easy steps to activate your Sukeen Cooling Towel.

For a visual demonstration of how to activate and use the cooling towel, please watch the video below:

Video 1: Demonstration of Sukeen Cooling Towel activation and use.

OPERATING INSTRUCTIONS

Sukeen Cooling Towels are versatile and can be used in various ways to provide comfort:

- **Versatile Placement:** The towel can be worn around your neck, on your head as a headband or headcover, draped over your shoulders, or placed on your face.
- **Activity Use:** Perfect for outdoor activities, indoor exercise, sports (yoga, golf, gym, running, cycling, bowling, tennis), outdoor work, and vacationing in hot climates.
- **Additional Benefits:** Helps prevent heat stroke, provides sun protection (UPF 50+), and can be used to alleviate fever or headaches.

▶ EASY TO USE

Soak It

Soak the cooling towel into water

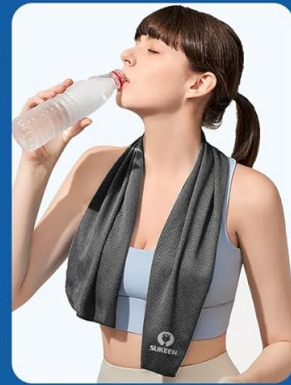

Wring It

Wring out the water

Shake It

Shake the towel 3~5 times

Wear It

Wear it on your neck

Temperature Test

Before Use

Swing It

It's Now Only 17.5°C

MAINTENANCE

Proper care will extend the life and effectiveness of your cooling towels:

- **Reusable:** The cooling towel can be reused multiple times.
- **Washing:** The towels are machine washable. Follow standard laundry practices.
- **Durability:** Made from high-quality microfiber, they are wear-resistant, non-deformable, and non-fading.
- **Storage:** Each towel comes with a hand-held bag with a mountaineering buckle and a waterproof plastic bag for convenient storage and transport.

Figure 4: The three-layer design ensures persistent cooling and durability.

TROUBLESHOOTING

If you notice the cooling effect diminishing:

- **Re-activate:** Simply re-soak the towel in water, wring it out, and shake it again to reactivate the cooling properties.
- **Dry Towel:** If the towel becomes dry, repeat the entire process of soaking, wringing, and shaking to restore its cooling function.
