# Hot Wheels Criss Cross Crash Track Set & 10-Pack Cars Instruction Manual

## 1. PRODUCT OVERVIEW

The Hot Wheels Criss Cross Crash Track Set provides an exciting racing experience with challenging intersections, hairpin turns, and motorized boosters. This set includes the track system and a 10-pack of 1:64 scale die-cast toy cars and trucks, offering immediate play value and expanding your Hot Wheels collection.

## 2. WHAT'S IN THE BOX

- Hot Wheels Criss Cross Crash Track Set components
- 10-Pack of Die-cast Toy Cars (styles may vary)

## 3. SETUP INSTRUCTIONS

Assembly of the Hot Wheels Criss Cross Crash Track Set is straightforward. Connect the track pieces and loops to the central motorized booster unit. Ensure all connections are secure to prevent cars from derailing during play.

### 3.1 Battery Installation

The motorized booster requires **4 D-size batteries** (not included). Locate the battery compartment on the central unit, insert the batteries according to the polarity indicators, and secure the cover.

## 4. OPERATING INSTRUCTIONS

Once assembled and batteries are installed, the track is ready for use. Turn on the motorized booster using the switch located on the side of the central unit.

### 4.1 Launching Cars

Place a Hot Wheels car onto one of the entry ramps leading to the central booster. The motorized wheels will automatically propel the car through the loops and intersections. You can introduce multiple cars onto the track to create exciting near-misses and crashes.

## 4.2 Crashing Action

The design of the Criss Cross Crash Track Set is intended to create dynamic crashing action at its central intersection. Experiment with different car types and launch timings to observe various crash scenarios.

## 5. MAINTENANCE

To ensure the longevity of your Hot Wheels Criss Cross Crash Track Set, follow these simple maintenance guidelines:

- **Cleaning:** Wipe down track pieces and the central unit with a damp cloth as needed. Avoid using harsh chemicals.
- **Storage:** The track can be disassembled for compact storage. Store in a cool, dry place away from direct sunlight.
- **Battery Care:** Remove batteries if the toy will not be used for an extended period to prevent leakage.

## 6. TROUBLESHOOTING

---

If you encounter issues with your track set, refer to the following common solutions:

- **Cars not moving or moving slowly:**
  - Check if the motorized booster is switched on.
  - Ensure batteries are correctly installed and have sufficient power. Replace D-size batteries if necessary.
  - Verify that the car is placed correctly on the entry ramp and is a standard 1:64 scale Hot Wheels vehicle.
- **Cars flying off the track:**
  - Ensure all track connections are firmly snapped together.
  - Some Hot Wheels cars perform better than others on high-speed tracks. Experiment with different cars from your collection.
  - Check for any obstructions or debris on the track surface.
