5. **Insert Fabric Drawers:** Fold and assemble the two fabric drawers. Slide them into their respective slots within the metal frame. The easy-pull handles should face outwards.

MAINTENANCE

To ensure the longevity and appearance of your WLIVE Night Stand, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the wood top and metal frame with a dry cloth. For stubborn marks, a slightly damp cloth can be used, followed immediately by a dry cloth. Avoid harsh chemicals or abrasive cleaners.
- **Fabric Drawers:** The fabric bins can be spot cleaned with a mild detergent and water. Allow them to air dry completely before reinserting. Do not machine wash or tumble dry.
- **Regular Checks:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Avoid Moisture:** While the wood top is water-resistant, avoid prolonged exposure to liquids to prevent damage.

TROUBLESHOOTING

If you encounter any issues with your WLIVE Night Stand, refer to the following common problems and solutions:

- **Wobbly Nightstand:**
 - Ensure all assembly screws are fully tightened.
 - Adjust the four adjustable feet on the bottom of the frame to level the nightstand on uneven floors.
- **Drawers Not Sliding Smoothly:**
 - Check if the fabric drawers are properly inserted and not obstructed by items inside.
 - Ensure the metal frame is not bent or damaged, which could impede drawer movement.
- **Scratches on Wood Top:**

- While the top is water-resistant, it is not entirely scratch-proof. Use coasters for drinks and felt pads under decorative items to prevent marks.
