SETUP

1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. The charging case provides extended battery life for your earbuds.

1. **Via USB Cable:** Connect the provided USB cable to the charging port on the case and to a USB power source. The indicator lights on the case will show charging status.
2. **Via Wireless Charger:** Place the charging case on a compatible wireless charging pad. Ensure the

case is centered on the pad for efficient charging.

A single charge provides over 6 hours of playtime for the earbuds, with the compact charging case extending total playtime up to 24 hours.

Compatible with Wireless Charging

Immerse yourself in the music world all day long and the charging case extends playtime up to 30 hours.

MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your TOZO T5 earbuds.

- **Cleaning:** Regularly clean the earbuds, especially the ear tips and charging contacts, with a soft, dry, lint-free cloth. Do not use abrasive cleaners or solvents.
- **Water Resistance:** The earbuds are waterproof and sweatproof, making them suitable for workouts. However, avoid submerging them in water for extended periods or exposing them to high-pressure water jets. Dry them thoroughly before placing them back in the charging case.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage. Store the case in a cool, dry place away from extreme temperatures.
- **Battery Care:** To preserve battery life, avoid fully discharging the earbuds and case frequently. Charge them regularly, even if not in constant use.

TROUBLESHOOTING

If you encounter issues with your TOZO T5 earbuds, refer to the following common solutions:

1. Earbuds Not Pairing/Connecting:

- Ensure both earbuds are fully charged.
- Place both earbuds back into the charging case, close the lid, wait a few seconds, then open the lid and take them out again.
- Turn off Bluetooth on your device, then turn it back on.
- Forget "TOZO-T5" from your device's Bluetooth settings and attempt to re-pair.
- Perform a factory reset (if applicable, refer to manufacturer's website for specific instructions, as this model may have a small reset button/hole).

2. One Earbud Not Working/No Sound:

- Ensure both earbuds are charged.
- Place both earbuds back in the case and take them out simultaneously to ensure they connect to each other.
- Clean the charging contacts on both the earbuds and inside the case to ensure proper connection and charging.
- Try resetting the earbuds as described above.

3. Charging Issues:

- Verify the USB cable is securely connected to both the case and the power source.
- If using wireless charging, ensure the case is correctly positioned on the charging pad.
- Clean the charging contacts on the earbuds and inside the case.
- Try a different USB cable or power adapter.

4. Touch Controls Unresponsive/Too Sensitive:

- Ensure your fingers are clean and dry when using touch controls.
- Practice the gestures to ensure correct execution (e.g., distinct taps vs. holds).
- Avoid touching the sensor area when adjusting the earbuds in your ear; hold them by the matte part or earhook.

If issues persist, please refer to the official TOZO support channels.
