RORIANO Alabaster Glass Lampshade Replacement Instruction Manual

Model: B0953G2LRK

1. INTRODUCTION

Thank you for choosing the RORIANO Alabaster Glass Lampshade. This product is designed as a replacement accessory for various lighting fixtures, offering a modern aesthetic with its unique amber-colored, crackle-patterned glass. This manual provides essential information for the safe installation, operation, and maintenance of your new lampshade.

2. SAFETY INFORMATION

Please read all safety instructions carefully before handling or installing the lampshade. Failure to follow these instructions may result in injury or damage to the product or property.

- **Disconnect Power:** Always ensure the power supply to the lighting fixture is turned off at the circuit breaker before attempting any installation or replacement.
- **Handle with Care:** This product is made of glass. Handle it gently to prevent breakage. Wear protective gloves if

necessary.

- **Inspect for Damage:** Before installation, carefully inspect the lampshade for any cracks, chips, or other damage. Do not install a damaged lampshade.
- **Proper Fit:** Ensure the lampshade's opening diameter matches your fixture's requirements. An improper fit can lead to instability and potential breakage.
- **Adult Installation:** Installation should be performed by a competent adult.

3. PACKAGE CONTENTS

Your RORIANO Alabaster Glass Lampshade package includes:

- 1 x RORIANO Alabaster Glass Lampshade (Model: B0953G2LRK)

No additional accessories or tools are included or required for the lampshade itself, beyond what is needed for your specific lighting fixture's installation.

4. PRODUCT SPECIFICATIONS

Feature	Specification
Brand	RORIANO
Model Number (ASIN)	B0953G2LRK
UPC	787803653700
Material	Alabaster Glass
Color	Amber
Style	Modern
Pattern	Plain (Crackle-like texture)
Product Dimensions (L x W x H)	12.95 x 5.08 x 14.99 cm (approx. 5.1 x 2.0 x 5.9 inches)
Item Weight	640 grams (approx. 1.41 lbs)
Top Opening Diameter	40 mm / 1.57 inches (Note: Product title may state 4.5 cm / 45 mm)
Base Width	130 mm / 5.12 inches
Number of Pieces	1
Assembly Required	Yes (Installation into fixture)
Batteries Required/Included	No

Note: Dimensions are approximate and may vary slightly. The critical measurement for fitting is the top opening diameter. Please verify compatibility with your existing fixture before purchase and installation.

5. SETUP AND INSTALLATION

This section outlines the general steps for replacing a lampshade. Specific installation may vary depending on your lighting fixture type (e.g., chandelier, wall sconce, table lamp).

Image 5.1: Diagram illustrating the lampshade's dimensions, including the 40mm (1.57 inch) top opening diameter and 130mm (5.12 inch) base width, crucial for proper fitting.

Installation Steps:

- 1. Prepare the Fixture:** Ensure the power to the lighting fixture is completely turned off at the circuit breaker. Allow any existing bulbs to cool down if they were recently in use.
- 2. Remove Old Lampshade (if applicable):** Carefully remove the existing lampshade from your fixture. This usually

involves unscrewing a socket ring or releasing clips. Dispose of any broken glass safely.

3. **Inspect the Socket:** Check the lamp socket for any damage or debris. Ensure it is clean and in good working order.
4. **Position the New Lampshade:** Gently place the RORIANO Alabaster Glass Lampshade onto the lamp socket. The top opening (40 mm / 1.57 inches) should fit over the bulb socket.
5. **Secure the Lampshade:** If your fixture uses a socket ring (often E26 or E27 type, not included with this lampshade), carefully screw it back onto the socket to secure the lampshade in place. Ensure it is hand-tightened to prevent movement but do not overtighten, as this can crack the glass.
6. **Install Bulb (if removed):** If you removed the light bulb, screw it back into the socket.
7. **Restore Power:** Once the lampshade is securely installed and the bulb is in place, restore power to the fixture at the circuit breaker.
8. **Test:** Turn on the light to ensure proper function.

Image 5.2: The alabaster glass lampshade securely installed on a compatible lighting fixture.

6. OPERATING INSTRUCTIONS

Once the RORIANO Alabaster Glass Lampshade is correctly installed on your lighting fixture, its operation is integrated with the fixture itself. The lampshade functions as a decorative and light-diffusing component.

- **Light Diffusion:** The alabaster glass material will diffuse the light from the bulb, creating a soft and ambient glow.
- **On/Off Control:** Use the existing switch or control mechanism of your lighting fixture to turn the light on or off.
- **Bulb Compatibility:** Ensure that the light bulb used is compatible with your fixture and does not exceed the fixture's maximum wattage rating. The lampshade itself does not have electrical components.

7. CARE AND MAINTENANCE

Proper care will help maintain the appearance and longevity of your RORIANO Alabaster Glass Lampshade.

- **Cleaning:** To clean the lampshade, first ensure the light fixture is turned off and cool. Use a soft, dry, lint-free cloth to gently wipe away dust. For smudges or fingerprints, lightly dampen the cloth with water or a mild glass cleaner and wipe carefully. Avoid abrasive cleaners or harsh chemicals, as these can damage the glass finish.
- **Handling:** Always handle the lampshade by its edges or base. Avoid touching the glass surface unnecessarily to prevent fingerprints.
- **Inspection:** Periodically inspect the lampshade for any signs of damage, such as cracks or chips. If damage is found, replace the lampshade to ensure safety.

8. TROUBLESHOOTING

This section addresses common issues you might encounter with your lampshade.

Problem	Possible Cause	Solution
Lampshade does not fit the fixture.	Incorrect opening diameter.	Verify the top opening diameter of the lampshade (40 mm / 1.57 inches) against your fixture's requirements. If incompatible, the lampshade may not be suitable for your fixture.
Lampshade is loose after installation.	Socket ring not tightened sufficiently or incorrect socket ring size.	Ensure the socket ring is hand-tightened securely. If the ring is too large or small, it may not be the correct type for your fixture.
Lampshade appears damaged upon arrival.	Shipping damage.	Do not install a damaged lampshade. Contact the retailer or manufacturer immediately for assistance and replacement.

9. WARRANTY INFORMATION

RORIANO products are manufactured to high-quality standards. For specific warranty details regarding your Alabaster Glass Lampshade, please refer to the warranty information provided at the point of purchase or contact the retailer directly. General warranty terms typically cover manufacturing defects.

10. CUSTOMER SUPPORT

If you have any questions, require assistance with installation, or need to report a damaged product, please contact RORIANO customer support or the retailer from whom you purchased the product. Please have your model number (B0953G2LRK) and purchase details ready when contacting support. For further information, you may visit the RORIANO brand page or the product listing on the retailer's website.
