MAINTENANCE

To ensure the longevity and optimal performance of your VEYFIY Floor Lamp, follow these simple maintenance guidelines:

- **Cleaning:** Disconnect the power before cleaning. Use a soft, dry cloth to wipe the lamp. Avoid abrasive cleaners, solvents, or polishing agents as they may damage the finish.
- **Bulb Replacement:** The LED light source is integrated and not user-replaceable. The LEDs are designed for a long lifespan (approximately 50,000 hours).
- **Storage:** If storing the lamp for an extended period, disassemble it and store it in its original packaging in a dry, cool place.
